HONORABLE MARIO J. VAGGE, Mayor

1960 - 1961

INAUGURAL ADDRESS BY MAYOR MARIO J. VAGGE JANUARY 1, 1960

REVEREND MEMBERS OF THE CLERGY —
CITY OFFICIALS AND FELLOW CITIZENS

This is my second inaugural and again my first pleasant duty of the new year is to wish you and every citizen a very happy and prosperous new year.

Today you have charged me to serve as Mayor for a second term. Once again I accept this great responsibility with deepest sense of humility. The vote of confidence you gave me at the recent election was the greatest in Nashua's history. I humbly thank you. I will continue to do my utmost to retain your confidence. I am sure I cannot carry out my duties as Mayor without my dependence upon God and I pray to Him for courage and seek His blessing to give me the patience of His unlimited wisdom to guide me in all my decisions.

Two years ago on this very platform I pledged to have Nashua's progress balance with the tax payer's ability to pay. I also promised to have good friendly interdepartmental understanding. I am very happy about this because every department has cooperated. Before purchasing equipment, or wage adjustments, or street repairs, etc., I studied the tax payer's ability and the City's financial condition to maintain a practical municipal housekeeping, which I call "judicious economy" as opposed to "false economy." I am sure we are getting full value for every dollar spent. We have advanced with rapid speed and tried to keep ahead of the problems facing a growing community.

I promised our merchants parking facilities to help maintain a healthy retail trade. The first month in office I reactivated the High Street Project. Although our progress has been slow we have kept abreast of all Government requirements, which at times has been very discouraging. I am sure completion of this most important project will be a reality soon. This improvement will not cost the tax payers a penny. The cost will amount to $1,102,900.00 of which the U. S. Government will pay two-thirds. We are now receiving a tax revenue of $21,000 in this area. When completed we will receive approximately $20,000 for new construction, plus the much needed 350 parking spaces which will pay the City another $20,000, for a total of $40,000. The parking meter revenue will be used to amortize the bonded debt. You can readily see this will be a most profitable development plus eliminating a blighted area, and most important save our retail district.

I also promised the aged some relief with low rent housing where they can live out their gentle aging life without bothersome chores and rents within their low incomes. I am very happy construction will be started early in 1960 at no cost to the City. The U. S. Government pays the construction cost of approximately $600,000 and in forty years it will be the City's property at no cost.

We have remedied many trouble spots that have existed throughout the City for years. We have done more street construction of the permanent type using a tremendous amount of hot topping in place of oil and sand which will cut our street maintenance cost for many years. We have built seven miles of new streets and rebuilt or treated more than sixty miles. More will be done the next two years.

We installed or repaired much needed sanitary systems in many sections. We still have more sanitary problems. Most important is the State Pollution Program. The State has served orders we must build a sewage treatment plant for the first stage, meaning the Salmon Brook area, costing approximately $1,050,000 of which the U. S. Government pays $250,000 and the State twenty percent of cost to help the City pay the bonded debt. This plant will have the capacity to take care of Nashua and Merrimack Rivers when we are ordered to depollute them. We must also spend $175,000 for new dwelling sewerage systems. I hope we can complete them within the next two years. We have extended our refuse collection to serve many outlying districts.

Our older schools have been made safe for our children with the installation of fire escapes, sprinkler systems, fire alarms, and modern lighting. The Board of Education has done a commendable job in these older buildings under the supervision of William Wilcox. We have more to do in these buildings to bring them up to date. I certainly will appreciate funds for these improvements. I also hope the Board will consider the change to the 6-2-4 system. The people have expressed their desire for this change. This could easily be done by the construction of a practical arts building and adding to the Senior High. The cost of this building program would be $1,150,000.

This change will save thousands of dollars plus giving us excellent educational facilities. We should start construction at once to eliminate the unhealthy and costly dual sessions next year. Our school track sports have expanded to such a level we need a cinder oval at the cost of $18,000 to service this fine activity.

Our Public Works Department has been equipped with the proper equipment to serve you at the least possible cost. Our Police and Fire Departments are well equipped for your protection. The Public Library has had the long belated repairs to preserve it. They should have been done years ago. We also added the Bookmobile which is being used to good advantage. The Chandler building, corner Main and Kinsley Streets, will be renovated into a modern library to serve the south end of Nashua. The cost of repairs, equipment and new books will be about $50,000.

Our Airport is the busiest municipal airport in the state. Air travel is a very important link in the growth of any city. It is no longer a luxury. It has become a must in the business world. We have made many improvements the last two years and must do more to attract good sound manufacturers. I applied for Federal funds and we have been granted $30,000 which we will match to make the important changes necessary to maintain our strong economic position.

Civil Defense units have been organized and headquarters have been established to instruct us for any emergency that may confront our people. Every day I hear someone say "It cannot happen here." Ladies and gentlemen, in this space age anything can happen. Let's not be too complacent. If you are asked to serve on a special Civil Defense unit please do not refuse. You may be the key to survival.

Our City-wide Planning Board, headed by Edwin B. Stevens, has done a tremendous job in planning for our future. We now have a full-time City Planner working closely with the City-wide Planning Board. Good planning can save many embarassing situations plus thousands of dollars.

I promised a more diversified recreational program with the help of city-wide community spirit. Many organizations and individuals have come to our assistance to help expand our recreational facilities and to further this diversification I have organized a City-wide Recreational Committee under the direction of Miss Rose Cerier, Executive Director of the Y.W.C.A. May I urge each of you if called upon to serve on this important committee that you will give it serious consideration. Nashua is blessed with very little juvenile delinquincy cases through the efforts of our Recreational Commission and civic organizations. They should be commended for their fine work. We must train our youth to be our future leaders by developing in them a responsibility to government, education, church, and community.

So much has been done to improve our City it would consume much of your time on this New Year's morning to single out each project. All our improvements have been done on the pay-as-you-go basis. Most of the improvements I have recommended which should be done the next two years are of a permanent nature for which bond issues must be applied. Nashua is the most progressive city in the state and one of the best equipped in the country, and, most important, we are financially sound. We must plan with caution to maintain our strong financial position and still serve our people and not retard our growth.

We should make some wage adjustments to meet the cost of living expenses. I have studied the needs of our community and also the economic condition of our City. We must be fair with the tax payers and our municipal employees. The answer to keep the City well in balance is a wage adjustment of three percent of our total payroll. I would like to be fair to the lower income bracket personnel and have arrived at this plan. Divide the total three percent of our payroll into equal parts, which I feel is the proper distribution.

I am proud at this point to announce all my promises of two years ago have been fulfilled. I also said I would exercise my veto if my conscience ruled it to be in the best interest of all the people. I exercised that power twice and will do it again if I feel it will be for the betterment of the City. Naturally, I could not have accomplished all this without full cooperation of all departments and kind understanding of our citizens. My first two years have been very busy but pleasant ones. 4943 citizens visited me at the Mayor's Office, I attended 532 meetings, and made 661 personal appearances. I intend to continue this good neighbor policy. There isn't any room for petty jealousy in good government. I thank the Aldermanic Board and all departments for their loyal cooperation.

Congratulations to the newly elected. I know with our dependence in God we will not fail to serve our community well. Progress and destiny are formed by men and women of vision and strong hearts. Let us go forward with determination that this virtue shall always be ours.

In this spirit I express to you the appreciation I feel for your friendliness and good will. May the light of peace and love shine in the hearts of all people forever.

God Bless and help us all.

CITY GOVERNMENT 1960 - 1961

REPORT

OF AN EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

CITY OF NASHUA

FOR THE FISCAL YEAR ENDED

DECEMBER 31, 1959

made by

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

April 20 - May 9, 1960

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

May 24, 1960

To the Mayor and Board of Aldermen

Nashua, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the City of Nashua for the fiscal year ended December 31, 1959, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

The accounts and records of all city officials charged with the custody, receipt and disbursement of city funds were examined and audited. An examination was made of a sufficient number of vouchers, payrolls and cancelled checks to satisfy the requirements of accepted standards of audit procedure. Receipts were checked by source insofar as possible. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to taxpayers whose accounts appeared to be delinquent according to the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Comparative Balance Sheets (Revenue Accounts) - December 31, 1958 - December 31, 1959: (Exhibit A-1)

Comparative Balance Sheets (Revenue Accounts) for the fiscal years ended December 31, 1958 and December 31, 1959, are presented in Exhibit A-1. As indicated therein, the Surplus increased by $35,937.75, from $153,014.77 to $188,952.52 in 1959.

Analysis of Change in Current Financial Condition: (Exhibit B-2)

An analysis of the change in the current financial condition of the City during the year is made in Exhibit B-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus

Net Budget Surplus	$121,409.47	
1954 Overlay Written Off	23,605.40	
Old Checks Cancelled	406.52	
Tax Redemptions—Previously Charged Off	11.07	
		$145,432.46

Decrease in Surplus

Surplus Used to Reduce Tax Rate	$ 90,000.00	
Supplemental Appropriation from Surplus	13,000.00	
1954 Taxes Written Off	5,943.01	
Refunds of Overpayments	551.70	
		109,494.71
Net Increase		$ 35,937.75

Decrease in Bonded Indebtedness:

The bonded indebtedness of the City (including School debt) decreased by $149,000.00 in 1959, as shown herewith:

	Bonded Debt December 31, 1958	Bonds Issued in 1959	Bonds Retired in 1959	Bonded Debt December 31, 1959
Sewer, Health & Sanitation Loans	$ 85,000.00	$	$ 15,000.00	$ 70,000.00
Widening Main & Water Streets	185,000.00		25,000.00	160,000.00
Public Improvement Loans	30,000.00		6,000.00	24,000.00
Fire Equipment Loans	15,000.00		3,000.00	12,000.00
Parking Area Loans	15,000.00		15,000.00	
School Loans	1,074,000.00		85,000.00	989,000.00
	$1,404,000.00	$	$149,000.00	$1,255,000.00

Statement of Bonded Indebtedness: (Exhibit W)

A statement of outstanding bonded indebtedness as of December 31, 1959, showing annual debt service requirements, is contained in Exhibit W.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibit D & E)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits D and E. As indicated therein, a net unexpended balance of appropriations of $92,685.12, plus a revenue surplus of $28,724.35, resulted in a net budget surplus of $121,409.47.

Tax Collections:

Tax collections (exclusive of State Head Taxes) of the current year's levy, as compared to taxes assessed, for the years of 1958 and 1959, were as follows:

	Levy of 1958	Percent	Levy of 1959	Percent
Taxes Assessed—Current Year's Levy	$3,638,906.79		$3,919,868.25	
Taxes Collected—Current Year's Levy	$3,344,487.46	91.9%	$3,606,394.72	92.0%
Taxes Abated—Current Year's Levy	9,763.50	.3%	11,634.23	.3%
Uncollected Taxes—Current Year's Levy	284,655.83	7.8%	301,839.30	7.7%
	$3,638,906.79	100.0%	$3,919,868.25	100.0%

Uncollected and Unredeemed Taxes - Prior Years' Levies:

It is noted that there are substantial amounts of uncollected property taxes on the tax warrents of 1958 and prior years, most of which are taxes on stock-in-trade. It is suggested that distraint procedure be employed to enforce the collection of stock-in-trade or other taxes on personal property in cases where the taxpayer owns no real estate. Such action, to be valid, must take place within one year from October first following the date of assessment.

It is also noted that there were unredeemed taxes from tax sales on account of the levies of 1956 and prior years as follows:

Levy of 1956	$ 4,193.19	
1955	3,252.41	
1954	1,532.27	
1953	681.65	
1952	649.19	
1951	299.00	
1950	6,053.72	
Prior Years	125.41	
		$ 16,786.84

Inasmuch as the two year redemption period has expired on all of these unredeemed taxes, the Collector should give tax deeds to the City on properties represented by such tax liens.

Conclusion:

The accounts of the city officials and departments which we examined were found in good condition and the accounting and financial procedures conformed to accepted methods. We extend our thanks to the officials of the City of Nashua and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*
Division of Municipal Accounting
State Tax Commission

Joseph W. Boudreau
Norval D. Lessels

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the City of Nashua for the fiscal year ended December 31, 1959, and found them to be in good order. In our opinion, the Exhibits included herewith reflect the true financial condition of the City on December 31, 1959, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, *Director*
Division of Municipal Accounting
State Tax Commission

Joseph W. Boudreau

RESOLUTIONS PASSED BY THE BOARD OF ALDERMEN 1959

RESOLUTION

AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO AFFIX HIS SIGNATURE TO THE COOPERATION AGREEMENT BETWEEN THE CITY OF NASHUA AND THE NASHUA HOUSING AUTHORITY ($10,000.00 - 50 UNITS)

(Endorsed by His Honor Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-Nine

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the Board of Aldermen, on October 14, 1958, adopted a Resolution at its meeting approving the Application of the Nashua Housing Authority for 50 dwelling units and a preliminary loan of $10,000;

WHEREAS the Cooperation Agreement, dated November 7, 1958, between Nashua Housing Authority and City of Nashua provides for restricting of 50 dwelling units "for the elderly," which limitation may not be feasible in the event that full occupancy by the elderly or elderly families is not available and necessitates renting of some of the units to others of low income;

WHEREAS the Municipality and the Housing Authority of the City of Nashua are desirous of amending the Cooperation Agreement by omitting the restrictive provision "for the elderly" contained in Paragraph 2, Line 3 of Page 1 thereof;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF NASHUA AS FOLLOWS:

1. That Paragraph 3 of said Resolution providing for the Board of Aldermen of the City of Nashua enter into an agreement in writing to be known as the Cooperation Agreement with the Nashua Housing Authority is hereby amended by deleting "Board of Aldermen of the" to read "That the City of Nashua enter into an agreement in writing to be known as the Cooperation Agreement with the Nashua Housing Authority x x x x"

2. That the Cooperation Agreement, dated November 7, 1958, between the Nashua Housing Authority and the City of Nashua is hereby amended by deleting the words "for the elderly" in Paragraph 2, Line 3 of Page 1 thereof;

3. That the City of Nashua enter into an amendatory agreement in writing to be known as the "Amendment to Cooperation Agreement" with the Nashua Housing Authority substantially in the form attached hereto and made a part hereof and the proper officers of the City of Nashua are hereby authorized and directed to execute said amendatory agreement on behalf of the City of Nashua in the number of counterparts as may be cited necessary and to impress and attest the official seal of the City of Nashua on each of said counterpart of said amendatory agreement.

AMENDMENT TO COOPERATION AGREEMENT

This Agreement entered into this ..... day of ....., 195...., by and between the Nashua Housing Authority (herein called the "Local Authority") and the City of Nashua (herein called the "Municipality"), witnesseth

WHEREAS a certain Cooperation Agreement, dated November 7, 1958, has been entered into between the Local Authority and the City of Nashua;

WHEREAS the Local Authority and the City of Nashua deem it desirable to amend the Cooperation Agreement;

NOW, THEREFORE, the Local Authority and the City of Nashua agree as follows:

1. The words "for the elderly" contained in Paragraph 2, Line 3 of Page 1 are hereby deleted and said Paragraph 2 is amended to read as follows:

"The Local Authority shall endeavor (a) to secure a contract or contracts with the PHA for loans and annual contributions covering one or more Projects comprising approximately 50 units of low-rent housing and (b) to develop and administer such Project or Projects, each of which shall be located within the corporate limits of the Municipality. The obligations of the parties hereto shall apply to each such Project."

2. In all other respects the Cooperation Agreement, dated November 7, 1958, shall remain in full force and effect.

IN WITNESS WHEREOF the Local Authority and the Municipality have caused this Amendment to be executed in their respective names and have caused their respective seals to be hereunto affixed and attested as of the day and year first above written.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE TO CONVEY CERTAIN REAL ESTATE ON HILLS FERRY ROAD, CITY OF NASHUA

(Endorsed by Alderman James H. Larrabee)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey and for and in consideration of ONE DOLLAR ($1.00) to Madalyn S. Baxter, her heirs and assigns forever, the following described real estate:

A certain tract or parcel of land situate in Nashua, Hillsborough County, New Hampshire, bounded and described as follows: Beginning at the Southeasterly corner of the within described premises at a stone bound on the Westerly line of Beverlee Drive and on the Northerly side of Lot No. 1 as shown on Plan of "Beverlee Acres" recorded in Hillsborough County Registry of Deeds as Plan No. 812-E21; thence running

(1) Northwesterly thirty-six and 03/100ths (36.03) feet, more or less, by a curve having a radius of twenty and 24/100ths (20.24) feet on the Northerly line of said Lot No. 1; thence

(2) Westerly two hundred ten and --/100ths (210.00) feet by the Northerly line of said Lot 1; thence

(3) Northerly one hundred three (103) feet, more or less, by the Westerly line of Lot No. 1 projected; thence

(4) Easterly one hundred sixty-three (163) feet, more or less, by the Southerly line of the new location of Hills Ferry Road; thence

(5) Southeasterly seventy-two (72) feet, more or less, by a curve shown on "Plan & Profile Hills Ferry Road" dated July 1957 filed in the Office of the City Engineer of Nashua as Plan No. 592, following the Southerly line of the new location of Hills Ferry Road and the Westerly line of the new location of Beverlee Drive to the place of beginning.

Also a certain strip of land twenty (20) feet in width beginning on the Westerly side of the above described premises and extending Westerly to the Easterly line of Hillside Drive by the Northerly half of Hills Ferry Road as shown on Plan of "Greeley Park Annex" recorded in Hillsborough County Registry of Deeds as Plan No. 634 between the above described premises and Hillside Drive extended.

RESOLUTION

RELATING TO THE LAYING OUT OF A PUBLIC PARKING AREA MAPLE AT MULBERRY STREET

(Endorsed by Alderman James H. Larrabee)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That a study be made by the Aldermanic Traffic Committee regarding the feasibility of laying out a public parking area in the following described area and that said committee report its findings to the Board of Aldermen.

A certain parcel of land located in Nashua.

Beginning at the junction point of the northerly line of Mulberry Street and the easterly line of Maple Street, said point also being the south-westerly corner of the premises herein described. Thence running as follows:

(1) Northerly along the easterly line of said Maple Street, two hundred thirteen and five tenths (213.5) feet to a point at the south-westerly corner of Lot No. 105 as indicated on Assessor's Sheet No. 82. Thence

(2) Easterly along the southerly line of said Lot No. 105, sixty-four and six tenths (64.6) feet to a point at the north-westerly corner of Lot No. 14 as indicated on said Assessor's Sheet No. 82. Thence

(3) Southerly along the westerly line of said Lot No. 14, one hundred fifteen and five tenths (115.5) feet to a point in the northerly line of Lot No. 86 as indicated on said Assessor's Sheet No. 82. Thence

(4) Easterly along the northerly line of said Lot No. 86, seven and eight tenths (7.8) feet to a point at the north-westerly corner of Lot No. 11 as indicated on said Assessor's Sheet No. 82. Thence

(5) Southerly along the westerly line of said Lot No. 11, eighteen and two tenths, (18.2) feet to a point in the northerly line of Lot No. 12 as indicated on said Assessor's Sheet No. 82. Thence

(6) Easterly along the northerly line of said Lot No. 12, twenty-five and five tenths (25.5) feet to a point at the north-easterly corner of said Lot No. 12. Thence

(7) Southerly along the easterly line of said Lot No. 12, seventy-seven and six tenths (77.6) feet to a point in the northerly line of said Mulberry Street. Thence

(8) Westerly along the northerly line of said Mulberry Street, ninety-nine and sixty-five hundredths (99.65) feet to the point of beginning.
Containing 16,590 sq. ft., plus or minus.

Meaning and intending to describe Lots No. 12 - 13 - 100 - 86 - 96 as indicated on Assessor's Sheet No. 82, said plan is on file in the Assessor's Office, City of Nashua, N. H.

RESOLUTION

APPROVING AND AUTHORIZING THE APPLICATION FOR ADVANCES TO MAKE FINAL PLANNING STUDIES FOR THE HIGH STREET REDEVELOPMENT PROJECT

(Endorsed by His Honor Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, it is necessary and in the public interest that the NASHUA HOUSING AUTHORITY avail itself of the financial assistance provided by Title I of the Housing Act of 1949 to assist local slum clearance and urban redevelopment projects; and

WHEREAS, it is necessary that surveys be made and other activities be performed preparatory to undertaking such projects; and

WHEREAS, it is recognized that Title I of the Housing Act of 1949 requires that contracts for financial assistance thereunder impose certain obligations and responsibilities upon local public agencies availing themselves of such financial assistance, including among other things; (1) the approval of the redevelopment plan by the governing body of the locality in which the project is situated, with appropriate findings (a) that financial aid by the Federal Government is necessary, (b) that the redevelopment plans for the redevelopment areas in the locality will afford maximum opportunity, consistent with the sound needs of the locality as a whole. for the redevelopment of such areas by private enterprise, and (c) that the redevelopment plan conforms to a general plan for the development of the locality as a whole; (2) the provision of local grants-in-aid; (3) the development of a feasible method for the relocation of families displaced from the project area; and (4) the several other local obligations and responsibilities that are imposed pursuant to Title I of the Housing Act of 1949 in connection with the undertaking and carrying out of slum clearance and urban redevelopment projects; and

WHEREAS, pursuant to Title I every contract for a Federal capital grant will require local grants-in-aid in connection with the project which, together with the local grants-in-aid to be provided in connection with all other projects of the local public agency on which contracts for Federal capital grants have been made, will be at least equal to one-third of the aggregate net project costs involved in such projects; and

WHEREAS, such local grants-in-aid may be provided by a state, municipality or other public body, or by any other entity, and may consist of donations of cash, land, demolition, or removal work, and streets, utilities, or other site improvements, and the provision of parks, playgrounds, and other

public buildings or facilities which (1) are primarily of direct benefit to the project and are necessary to serve or support the new uses of land in the project area or (2) are of direct and substantial benefit both to the project and to other areas in the community; and

WHEREAS, the Board of Aldermen of the City of Nashua passed a Resolution dated October 14, 1953 approving the filing of an application by the Nashua Housing Authority in the amount of sixteen thousand ($16,000) dollars for the Housing and Home Finance Administrator under Title I for surveys, and plans in the following area: that area bounded by Walnut Street, Factory Street, Washington Street, East School Street, and West Pearl Street, but excluding the property of New England Telephone and Telegraph Company and the commercial property fronting on West Pearl Street except for the three stores occupied by M.A.C. Finance Company, Gaudette Cut Rate Company, and Dr. Bouchard's Optometry Office and Store, which three properties are included in the Project area.

NOW, THEREFORE, BE IT RESOLVED BY THE Board of Aldermen of the City of Nashua: Section 1. That the financial assistance provided by Title I of the Housing Act of 1949 to assist local slum clearance and urban redevelopment projects is necessary; and

Section 2. That it is fully cognizant of the foregoing obligations and responsibilities that are imposed under contracts for financial assistance pursuant to Title I and it is the sense of this body that such obligations and responsibilities can and will be fulfilled; and

Section 3. That the filing of an Application by the Nashua Housing Authority for financial assistance in the amount of forty-six thousand ($46,000) dollars from the Housing and Home Finance Administrator under Title I for surveys and plans for the following general area: That area bounded generally by Walnut Street, Factory Street, property of New England Telephone and Telegraph Co. properties fronting on Factory and Water Streets, Water Street, properties fronting on Water Street, Main Street, and Factory Street, Factory Street properties fronting on Factory Street and High Street, High Street properies fronting on High Street and School Street, School Street properties fronting on West Pearl Street, and West Pearl Street to Walnut Street, be and is hereby approved.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE, TO CONVEY CERTAIN REAL ESTATE ON PROPOSED LAWNWOOD STREET

(Endorsed by Ald. Francis LaFlamme)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine
RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey, for and in consideration of FIVE DOLLARS ($5.00) to Roland A. Conery and Julia E. Conery, the following real estate

A certain tract or parcel of land situated in Nashua, County of Hillsborough and State of New Hampshire, bounded and described as follows:

Beginning at a point in the northerly line of proposed Lawnwood Street, said point being one hundred ninety-three and two tenths (193.2) feet measured easterly along the northerly line of said proposed Lawnwood Street from the easterly line of Concord Street, thence running as follows:

Easterly along the northerly line of proposed Lawnwood Street, six hundred seventy-eight (678) feet to a point in the westerly line of Lafrance Avenue, so called.

The above described line being the southerly line of a strip of land, said strip of land to be one (1.0) foot wide, and also the northerly line of said strip of land being in the southerly line of other land of the grantee.

Meaning and intending to convey Lot #46 on Sheet #48 as of record in the office of the Assessors, City of Nashua, N. H.

TO THE HONORABLE BOARD OF ALDERMEN:

Gentlemen:

Under the provisions of Chapter IV, Section 7 of the Revised Ordinances of the City of Nashua (1950), I submit, herewith, my recommendations for the necessary amount of money which should be appropriated for the several departments and other needs of the City of Nashua for the year 1959; and, for the purposes of Section 3, Part 1 of Chapter VII of the Revised Ordinances of the City of Nashua, each item of this budget shall be considered as a separate appropriation.

For convenience, account numbers have been assigned to each item of the budget. When a department makes an expenditure, it will be charged on their books to their appropriate account number. All departments will make regularly monthly reports to the Mayor's Office of their monthly expenditures and unexpended balances under each item. These reports will be consolidated on a master sheet and kept on file in the Mayor's Office for the convenience of the Finance Committee and inspection of the Board of Aldermen.

Each department has been given a different key alphabetical letter to identify its own individual itemizations. In order that comparisons may readily be made between departments of their expenditures for comparable items or to determine easily total City spending for certain specific items, the account numbers are uniform. There are 18 standard items, some of which appear in the budgets of all departments. These standard items all carry the same account numbers throughout all departments. Within any one or more of these standard breakdowns there may be further subdivisions which are indicated by the decimal point and additional numbered classifications. Any item listed after 18 is not one found in the other departments, thus all items beginning with 19 are peculiar to the department concerned. The key for the standard account numbers is as follows:

Acct. No.	Items
1	Payroll
2	Telephone
3	Electricity
4	Water
5	Insurance
6	Postage
7	Office Supplies & Services
8	Printing
9	Building Supplies & Services

RESOLUTION

RELATING TO THE NEGOTIATIONS OF THE LAYING OUT OF A PUBLIC PARKING AREA MAPLE AT MULBERRY STREET

(Endorsed by Alderman James H. Larrabee)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Aldermanic Traffic Committee be authorized to negotiate with the owners of the following described property for the purchase of said property to be used for the laying out of a public parking area.

A certain parcel of land located in Nashua.

BEGINNING at the junction point of the northerly line of Mulberry Street and the easterly line of Maple Street, said point also being the southwesterly corner of the premises herein described. Thence running as follows:

(1) Northerly along the easterly line of said Maple Street, two hundred thirteen and five tenths (213.5) feet to a point at the southwesterly corner of Lot No. 105 as indicated on Assessor's Sheet No. 82. Thence

(2) Easterly along the southerly line of said Lot No. 105 sixty-four and six tenths (64.6) feet to a point at the northwesterly corner of Lot No. 14 as indicated on said Assessor's Sheet No. 82. Thence

(3) Southerly along the westerly line of said Lot No. 14, one hundred fifteen and five tenths (115.5) feet to a point in the northerly line of Lot No. 86 as indicated on said Assessor's Sheet No. 82. Thence

(4) Easterly along the northerly line of said Lot No. 86, seven and eight tenths (7.8) feet to a point at the northwesterly corner of Lot No. 11 as indicated on said Assessor's Sheet No. 82. Thence

(5) Southerly along the westerly line of said Lot No. 11 eighteen and two tenths (18.2) feet to a point in the northerly line of Lot No. 12 as indicated on said Assessor's Sheet No. 82. Thence

(6) Easterly along the northerly line of said Lot No. 12, twenty-five and five tenths (25.5) feet to a point at the northeasterly corner of said Lot No. 12. Thence

(7) Southerly along the easterly line of said Lot No. 12, seventy-seven and six tenths (77.6) feet to a point in the northerly line of said Mulberry Street. Thence

(8) Westerly along the northerly line of said Mulberry Street, ninety-nine and sixty-five hundredths (99.65) feet to the point of beginning.

Containing 16,590 square feet, plus or minus.

Meaning and intending to describe Lots No. 12-13-100-86-96 as indicated on Assessor's Sheet No. 82, said plan is on file in the Assessor's Office, City of Nashua, N. H.

RESOLUTION

AUTHORITY TO FILE APPLICATION

(Endorsed by Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

The following is a suggested, acceptable form of resolution authorizing the filing of an application for a Federal Grant for the construction of necessary sewerage treatment works, under Section 466e, Title 33, of the United States Code:

WHEREAS, City of Nashua herein called the "Applicant," after thorough consideration of the various aspects of the problem and study of available data, has hereby determined that the construction of certain works required for the treatment of sewerage, generally described as the first phase of Salmon Brook Interceptor and a new primary sewage treatment plant. Included in this project and intercepting sewers, pumping stations, settling tank, sludge dewatering equipment and outfall sewer, herein called the "Project", is desirable and in the public interest, and to that end it is necessary that action preliminary to the construction of said Project be taken immediately; and

WHEREAS, under Section 466e, Title 33, of the **United States Code,** The United States of America has authorized the making of grants to aid in financing the cost of construction of necessary treatment works to prevent the discharge of untreated or inadequately treated sewage or other waste into any waters and for the purpose of reports, plans, and specifications in connection therewith; and

WHEREAS, the Applicant has examined and duly considered said section of the **United States Code,** and related sections, and the Applicant deems it to be in the public interest and to the public benefit to file an application under said section of the **United States Code** and to authorize other action in connection therewith;

NOW, THEREFORE, BE IT RESOLVED BY the Board of Aldermen of the City of Nashua, the governing body of said Applicant, as follows:

1. That the construction of said Project is essential to and is in the best interests of the Applicant, and to the end that said project may be constructed as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That Mayor Mario J. Vagge, be hereby authorized to file in behalf of the Applicant an application (in the form required by the United States and in conformity with 33 **U.S.C.** 466e) for a grant to be made by the United States to the applicant to aid in defraying the cost of constructoin of the sewerage treatment works described above;

3. That if such grant be made, the Applicant agrees to pay all the remaining cost of the approved Project ,over and above the amount of the grant;

4. That if such grant be made, the Applicant agrees to make provision satisfactory to the Surgeon General of the Public Health Service for assuring proper and efficient operation and maintenance of the treatment works after completion of the construction thereof;

5. That the said Mayor Mario J. Vagge is hereby authorized to furnish such information and to take such other action as may be necessary to enable the Applicant to qualify for the grant;

6. That the said Mayor Mario J. Vagge is hereby designated as the authorized representative of the Applicant for the purpose of furnishing to the United States such information, data, and documents pertaining to the application for a grant as may be required; and otherwise to act as the authorized representative of the Applicant in connection with this application;

7. That certified copies of this resolution be included as part of the application to be submitted to the United States, for a grant.

AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO PURCHASE REAL ESTATE ON LINCOLN PARK AREA FOR BOARD OF PUBLIC WORKS
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to purchase for and in consideration of Five Thousand ($5,000.00) Dollars from Edmund Briand of Nashua, a certain tract or parcel of land located in Nashua and more particularly described as Lots located on Sheet 138 of the Assessor's Map and being numbered 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199 and 200. That said purchase be made subject to a right of way easement in order that the Seller may have a pipe running over the tract in order that it may draw water from the Nashua River. Said easement to be subject ot removal to another area at the written request of the Purchaser. Said right of removal in no way to defeat the right of easement but to convey to the Purchaser the right to order a change of location. Said change to be made at the Seller's expense.

Be it Further Resolved, that said land be under the jurisdiction of the Board of Public Works, and that it be maintained, managed and operated by said Board of Public Works.

RESOLUTION

AUTHORIZING THE TRANSFER OF LAND TO THE BOARD OF EDUCATION (OLD LOWELL ROAD)

(Endorsed by Alderman Francis LaFlamme)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

Whereas the Board of Education has, pursuant to the provisions of Section 2, Chapter 199 of the Revised Statutes Annotated, by vote of said Board, selected a certain parcel of land hereinafter described for future school use and expansion; and

Whereas the City of Nashua is the owner of said parcel of land;

NOW, THEREFORE, be it resolved that the Mayor and the Board of Aldermen transfer said parcel of land, hereinafter described, to the Board of Education for future school use and expansion:

A certain tract or parcel of land situate off the Old Lowell Road, beginning at the southwest corner of the lot at land now or formerly of Anne J. Osgood, said corner being approximately four hundred fifty (450) feet east of east line of Main Street; thence

(1) Northerly along the boundary line of Osgood and Simoneau, a distance of five hundred twenty-one and six tenths (521.6) feet to a stone bound; thence

(2) Northwesterly along the boundary line of Payne and Simoneau, a distance of approximately one hundred thirty (130) feet to a point; thence

(3) Easterly along the boundary line of Holmes and Simoneau, a distance of one thousand two hundred (1200) feet to a point; thence

(4) Southerly to a point in the south boundary of Simoneau land; thence

(5) Westerly by the boundary line of land now or formerly of A. H. Chapman Co. and Simoneau, a distance of one thousand two hundred (1200) feet to the point of beginning.

Excepting Lot #184 as shown on Assessor Sheet A., said Lot #184 being located on the west side of Dudley Street as projected.

Being a portion of the premises described in deed recorded in Volume 1369, Page 181 Hillsborough County Registry of Deeds.

RESOLUTION

RESOLUTION OF THE BOARD OF ALDERMEN OF THE CITY OF NASHUA APPROVING THE REDEVELOPMENT PLAN AND THE FEASIBILITY OF RELOCATION FOR PROJECT NO. U. R. N. H. 4-1 CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, under the provisions of Title I of the Housing Act of 1949, as amended prior to August 2, 1954, the Housing and Home Finance Administrator is authorized to provide financial assistance to local public agencies for undertaking and carrying out slum clearance and urban redevelopment projects; and

WHEREAS, it is provided in such Act that contracts for financial aid thereunder shall require that the Redevelopment Plan for the respective project area be approved by the governing body of the locality in which the project is situated and that such approval include findings by the governing body that: (1) the financial aid to be provided in the contract is necessary to enable the land within the project area to be redeveloped in accordance with the Redevelopment Plan; (2) the redevelopment plans for the redevelopment areas in the locality will afford maximum opportunity, consistent with the sound needs of the locality as a whole, for the redevelopment of such areas by private enterprise; and (3) the Redevelopment Plan conforms to a general plan for the development of the locality as a whole; and

WHEREAS, the Nashua Housing Authority (herein called the "Local Public Agency") has applied for financial assistance under such Act and has entered into a contract for financial assistance under such Act with the United States of America, acting by and through the Housing and Home Finance Administrator, pursuant to which Federal funds are provided for the slum clearance and urban redevelopment project (herein called the "Project") identified as "The High Street Project" and encompassing the area bounded as described in Exhibit A to the Redevelopment Plan of the project dated January 14, 1959 which is further described below in the City of Nashua, State of New Hampshire, (herein called the "Locality"); and

WHEREAS, the Local Public Agency has applied for additional financial assistance under such Act and proposes to enter into an additional contract or contracts with the Housing and Home Finance Agency for making available additional financial assistance for the Project; and

WHEREAS, the Local Public Agency has made detailed studies of the location, physical conditions of structures, land use, environmental influences and the social cultural and economic conditions of the Project Area and has determined that the area is a blighted, decadent and substandard area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof and of the Locality at large, because the area is characterized by excessive land coverage, deleterious land use and obsolete building layout, containing 52 structures of which 29 are blighted and substandard because they are dilapidated or obsolete or lacking necessary sanitary facilities or structurally unsound or a combination of such factors and of those 52 structures a total of 39 structures contain 132 dwelling units of which a total of 94 dwelling units are blighted and substandard for the same reasons, all of which factors are detrimental to the safety, health, morals and welfare of the City and its inhabitants and the members of this Governing Body have been fully appraised by the Local Public Agency and are aware of these facts and conditions; and

WHEREAS, there has been prepared and referred to the Board of Aldermen of the Locality (herein called the "Governing Body") for review and approval a Redevelopment Plan for the Project Area, dated January 14, 1959, entitled "Redevelopment Plan for the High Street Project No. U. R. N. H. 4-1," and consisting of 6 pages and 19 Exhibits of which 17 are maps, being Exhibits "B" through "R" inclusive and 2 other Exhibits attached to the Redevelopment Plan which are Exhibit A, Legal Description of perimeter boundary of project area and Exhibit "S", the Relocation Plan supported by the following supplementary material, data, and recommendations which material, data and recommendations are not a part of said Redevelopment Plan: a final project report Part 1, Application for Loan and Grant, High Street Project Area U. R. N. H. 4-1; and

WHEREAS, said Redevelopment Plan has been approved by the Governing Body of the Local Public Agency, as evidenced by the copy of said Body's duly certified resolution approving said Redevelopment Plan which is attached thereto; and

WHEREAS, a general plan has been prepared and is recognized and used as a guide for the general development of the Locality as a whole; and

WHEREAS, the Nashua Planning Board which is the duly designated and acting official planning body for the Locality; has submitted to the Governing Body its report and recommendations respecting said Redevelopment Plan for the Project area and has certified that said Redevelopment Plan conforms to the said general plan for the Locality as a whole, and the Governing Body has duly considered said report, recommendation and certification of the planning body; and

WHEREAS, said Redevelopment Plan for the Project area prescribes certain land uses for the Project area and will require, among other things, changes in zoning, the vacation and removal of streets, alleys and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action; and

WHEREAS, the Local Public Agency has prepared a plan for the relocation of families that may be displaced as a result of carrying out the Project in accordance with said redevelopment Plan and has submitted to the Governing Body a Relocation Plan for the project identified as "Exhibit S" to the Redevelopment Plan as described above"; and

WHEREAS, there has also been presented to the Governing Body information and data respecting the Relocation Plan which has been prepared by the Local Public Agency as a result of studies ,surveys, and inspections in the Project Area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and of the availability of proper housing in the locality for the relocation of families that may be displaced from the Project area and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed such Relocation Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the Relocation Plan and said Redevelopment Plan for the Project, in conformity with the contract or contracts for financial assistance between the Local Public Agency and the United States of America acting by the Housing and Home Finance Administrator;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Aldermen of the City of Nashua as follows:

1. That it is hereby found and determined that the Project is a blighted, decadent and substandard area and qualifies as an eligible Project area under Provisions of R.S.A. 1955, Chapter 205 and Housing Authorities Law.

2. That said Redevelopment Plan for the Project aforementioned, having been duly reviewed and considered, is hereby approved, and the City Clerk be and is hereby directed to file said copy of said Redevelopment Plan with the minutes of this meeting;

3. That it is hereby found and determined that said Redevelopment Plan for the Project area conforms to said general plan of the Locality;

4. That it is hereby found and determined that the financial aid provided and to be provided pursuant to said contract for financial assistance pertaining to the Project is necessary to enable the land in the Project area to be redeveloped in accordance with the Redevelopment Plan for the Project area;

5. That it is hereby found and determined that the above mentioned Redevelopment Plan for the redevelopment area will afford maximum opportunity, consistent with the sound needs of the Locality as a whole, for the redevelopment of such areas by private enterprise;

6. That it is hereby found and determined that the proposals set forth in the Relocation Plan for the proper relocation of the families displaced in carrying out the Project in decent, safe, and sanitary dwellings in conformity with acceptable standards are feasible and can be reasonably and timely ecected to permit the proper prosecution and completion of the Project; and that such dwellings available or to be made available to such displaced families at least equal in number to the number of displaced families are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced families in the Project area, are available at rents or prices within the financial means of the displaced families, and are reasonably accessible to their places of employment;

7. That, in order to implement and facilitate the effectuation of the Redevelopment Plan hereby approved, it is found and determined that certain official action must be taken by this Body with reference, among others, to changes in zoning, the vacation and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities and, accordingly, this Body hereby: (a) pledges its cooperation in helping to carry out such Redevelopment Plan; (b) requests the various officials, departments, boards, and agencies of the Locality having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with said Redevelopment Plan; and (c) stands ready to consider and take appropriate action upon proposals and measures designated to effectuate said Redevelopment Plan; and

8. That additional financial assistance under the provisions of Title 1 of the Housing Act of 1949, as amended prior to August 2, 1954, is necessary to enable the land in the Project area to be redeveloped in accordance with the Redevelopment Plan for the Project area and, accordingly, the filing by the Local Public Agency of an application or applications for such financial assistance under said Title I is hereby approved.

RESOLUTION

AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO AFFIX HIS SIGNATURE TO THE AMENDED COOPERATION AGREEMENT BETWEEN THE CITY OF NASHUA AND THE NASHUA HOUSING AUTHORITY

CITY OF NASHUA

(Endorsed by Mayor, Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

"That His Honor Mayor, Mario J. Vagge be authorized to affix his signature to the amended cooperation agreement between the City of Nashua and the Nashua Housing Authority." (High Street Redevelopment)

COOPERATION AGREEMENT

This Agreement entered into this ninth day of June 1959 by and between the Nashua Housing Authority (hereinafter called the "Authority") a public body corporate and politic, duly organized and existing under the provisions of the Housing Authorities Law of the State of New Hampshire as set forth in RSA 1955, Chapter 203, as amended to date, and having its usual place of business in the City of Nashua, County of Hillsborough, as party of the first part, and the City of Nashua (hereinafter called the "City"), as party of the second part, witnesseth that:

WHEREAS, on June 9, 1959 the Authority approved and adopted a redevelopment plan for the assembly, clearance, and redevelopment, under the provisions of RSA 1955, Chapter 205 and the Housing Authorities Law, of a blighted, decadent and substandard area in the High Street Area (constituting and being Project No. UR N. H. 4-1 and being hereinafter called the "Redevelopment Project"), said area being more particularly described in the redevelopment plan for said area (hereinafter referred to as the "Redevelopment Plan"), and which Redevelopment Plan is hereby incorporated herein by reference as though fully set forth; and

WHEREAS, on June 9, 1959 the Board of Aldermen of the City of Nashua (hereinafter called the "Board") approved the aforesaid Redevelopment Plan after finding that the Redevelopment Plan complied with the requirements of RSA 1955, Chapter 205; and

WHEREAS, the said High Street area constituting the Redevelopment Project is a blighted, decadent and substandard area with excessive land coverage, deleterious land use and obsolete building layout, containing 52 structures of which 29 are blighted and substandard because they are dilapidated or obsolete or lacking necessary sanitary facilities or structurally unsound or a combination of such factors and of those 52 structures a total of 39 structures contain 132 dwelling units, of which a total of 94 dwelling units are blighted and sub-standard for the same reasons, all of which factors are detrimental to the safety, health, morals and welfare of the City and its inhabitants; and

WHEREAS, the Authority will need contributions or grants of money, properties or services from the City and the United States Government (hereinafter called the "Government") in order to carry out and complete the Redevelopment Project; and

WHEREAS, the City is authorized by RSA 1955, Chapter 205 and the Housing Authorities Law, as amended, to make such contributions or grants to the Authority in connection with the Redevelopment Project, and the Government is authorized by Title I of the Housing Act of 1949, as amended, (hereinafter called the "Housing Act"), to make similar contributions or grants; and

WHEREAS, it is provided in said Title I of the Housing Act that a contract between the Government and a local agency engaged in a redevelopment project providing for capital grants from the Government shall require contributions or grants from the state, municipality, or other public body or any other entity equal to at least one-third of the aggregate net project cost as defined herein; and

WHEREAS, it is further provided in said Title I that the aforesaid contributions or grants from the local governmental unit (therein defined as "Local Grants-in-Aid") may consist of "(1) cash grants, (2) donations at cash value of land (exclusive of land in streets, alleys, and other public rights-of-way which may be vacated in connection with the project) and demolition or removal work, or site improvements in the project area, at their cost, and (3) the provision, at their cost, of parks, playgrounds, and public buildings or facilities . . . . which are primarily of direct benefit to the project and which are necessary to serve or support the new uses of land in the project area in accordance with the redevelopment plan: Provided, That, in any case where, in the determination of the Administrator, any park, playground, public building, or facility is of direct and substantial benefit both to the project and to other areas, the Administrator shall provide that, for the purpose of computing the amount of the local grants-in-aid for such project, there shall be included an allowance of an appropriate portion (as determined by the Administrator) of the cost of such park, playground, public building, or facility."

NOW THEREFORE, it is hereby agreed by and between the parties hereto on their own behalf and on behalf of the Government, as follows:

1. Immediately upon the execution of a Loan and Grant Contract between the Authority and the Government under the Housing Act (an application for said contract having been heretofore filed with the Government by the Authority) the Authority will undertake said Redevelopment Project in accordance with the Redevelopment Plan. Work on each successive phase of the Redevelopment Project will be commenced and carried out with all possible speed as funds are made available.

2. To defray the aggregate net project cost of the project as computed and determined in accordance with the provisions of the Housing Act, the Authority will take all necessary steps and comply with all necessary conditions, statutory or otherwise, to obtain a capital grant from the Federal Government under Section 103 (a) of the Housing Act in the maximum amount allowed by law, it being provided that said donation or grant shall be in an amount not to exceed two-thirds of said aggregate net project cost of the Project, as determined in accordance with the provisions of the aforesaid Loan and Grant Contract.

3. The City will make a total contribution to the Authority of an amount (whether in cash or services) equal to at least one-third of said aggregate net cost of the Redevelopment Project. In performance of its obligations hereunder, the City specifically agrees to provide for the following:

A. Vacate and close as a public street or alley and transfer to the Authority any interest it may have in certain public streets and public alleys, all located within the Redevelopment Project, all as set forth in the Right-of-Way Adjustments Plan attached hereto as Exhibit A and made a part hereof. These streets or alleys shall be vacated from time to time as requested by the Authority in accordance with the progress of the demolition work and all such streets and alleys shall be vacated no later than the completion of the demolition work for the Redevelopment Project.

B. Purchase from the Authority Parcel Nos. S-1, S-2, and S-4 shown on the map attached hereto as Exhibit B and made a part hereof and all of said land to be used for street widening purposes and the price for said land shall be negotiated in the same manner and subject to the same conditions as are set forth for the land covered in Paragraph 3D hereof. This item shall be completed at a time coincidental with the completion of the demolition work for the Redevelopment Project.

C. Accept dedications from the Authority of the land contained in Parcel No. S-3 shown on the map attached as Exhibit B, to be used by the City for a new street. This item shall be completed at a time coincidental with the completion of the demolition work for the Redevelopment Project.

D. To enter into a contract to purchase from the Authority Parcels P-1, P-2, consisting of Parcels P-2a and P-2b, P-3, P-4, and P-5 shown on the map attached as Exhibit B, at a price to be mutually agreed upon and concurred in by the Housing and Home Finance Agency, said land to be used for public parking purposes; however, the Authority agrees not to acquire any project land unless and until the aforesaid purchase price is fixed and approved by the respective governmental Agencies and Authorities, as required by law and the HHFA policies; provided further that the City will be credited with percentages of said purchase price as local grants-in-aid for the Redevelopment Project as follows:

For Parcel P-1	
For Parcel P-2(a)	
For Parcel P-2(b)	38%
For Parcel P-3	
For Parcel P-4	
For Parcel P-5	

E. Construct and complete within one year after the completion of 3A above, the supporting facilities numbered S.F. 13, S.F. 14 and S.F. 15 shown on the map attached as Exhibit C, the Parking Areas P-1, P-2 shown as P-2A and P-2B, P-3, P-4 and P-5 shown on the map attached as Exhibit D, The estimated cost of which construction and the estimated credits to the City as Local Grants-in-Aid are shown on Exhibit E attached hereto which Exhibit E consists of 10 sheets designated B-21 to B-30, inclusive.

4. The City agrees to pay the Authority as a Local Grant-in-Aid real estate tax credits, now estimated to be equal to Twenty-four Thousand One Hundred Fourteen Dollars ($24,114), to the extent necessary to Provide an Amount which, when added to other Local Grants-in-Aid to be provided for the Redevelopment Project, will be equal to one-third of the aggretate net project cost, which tax credits shall be subject to approval by the HHFA.

5. The City agrees to comply with the provisions of the Redevelopment Plan and particularly the Right-of-Way Adjustment Plan as shown in Exhibit A attached hereto.

6. The Authority agrees to complete within one year after the completion of 3A above, the construction work for Site Improvements S.I. 1 through S.I. 12 shown on the map attached as Exhibit F and on sheets designated A-2 through A-15 attached to Exhibit F, and the City Agrees to pay the Authority fifty per centum of the actual cost of construction of Site Improvements S.I. 2, S.I. 3, S.I. 6 and S.I. 9.

7. The Authority agrees to transfer to the City, by quitclaim deed conveying good and marketable title of record, Parcels P-1 through P-5, S-1, S-2 and S-4 as shown on the attached Exhibit B for sums to be determined as provided in Paragraph 3D above. Said sums shall be paid to the Authority at the time of the closing of each Parcel which closing shall take place at City Hall or at some other mutually agreeable place within thirty (30) days after the Authority has brought the respective parcel to the required rough grade or as soon thereafter as the Authority is able to convey good and marketable title of record to the City. The City agrees to pay the required sum to the Authority for each such parcel upon tender of the required deed which shall contain use restrictions as covenants and conditions running with the land to require the City to devote such land to the uses specified in the Redevelopment Plan for the project area.

8. The City agrees to submit plans and specifications showing improvements and landscaping for the development of Parcel Nos. P-1 through P-5 inclusive as parking areas as set forth in paragraph 7 above to the Authority for approval within one month after the execution of the Loan and Grant Contract for the Redevelopment Project by the Government. The City agrees to make no changes in said plans and specifications as approved by the Authority without the prior written consent of the Authority. The City further agrees that it will not sell, lease, or otherwise transfer land acquired pursuant to paragraph 7 hereof at any time prior to the completion of the construction of said public parking areas without the prior written consent of the Authority. The City further agrees to begin the construction of each of said public parking areas within three (3) months after the transfer of the land as set forth in paragraph 7 hereof and to complete said construction within nine (9) months after the transfer of the land as set forth in paragraph 7 hereof.

9. Notwithstanding any provision of the Agreement to the contrary, it is expressly understood and agreed that 11 estimates of quantities, values and costs set forth herein are estimates only, based on data presently available, and that the actual credit to be given for properties and services provided herein will be based on the actual values or costs thereof as they shall be determined.

10. It is understood and agreed that the City's financial obligation hereunder is to make total contributions or grants which shall be equal to one-third of the aggregate net project cost computed in accordance with the terms of the Housing Act, which one-third obligation is presently estimated at $243,522.

11. The City shall cooperate with the Authority, the Government and other state and local agencies in pursuing positive programs for the adoption, improvement and modernization of local building, zoning and sanitary codes and regulations and shall take such action as may be necessary to waive, change or modify such codes or regulations to the extent necessary or desirable to permit carrying out the Redevelopment Project.

12. The City shall cooperate with the Authority in such other lawful actions or ways as may be necessary in connection with the undertaking and carrying out of the Redevelopment Project in all of its phases, including the relocation of families to be displaced from the Redevelopment Project area in accordance with the Relocation Plan.

13. The Authority agrees to give to the City a tax credit on all real property acquired for the Redevelopment Project both for the protion first tax year during which the Authority owns that real property and for all subsequent tax years and portions thereof that the Authority owns such property in an amount equal to the full amount of the taxes which would have been paid to the City on such property, provided however that the amount of such tax credits shall be limited to the amount needed to make up one third of the aggregate net project cost as set forth in paragraph 10 hereof. To the extent that such tax credits are not needed to make up said one-third of the aggregate net project cost. The Authority agrees to pay the City as a payment in lieu of taxes the full amount of or the balance of such tax credits. Such tax credits shall be subject to approval by the HHFA.

IN WITNESS WHEREOF THE City and the Authority have respectively caused this Agreement to be duly executed in triplicate as of the day and year first written above.

RESOLUTION
RESERVING CERTAIN LAND FOR THE FIRE DEPARTMENT

(Endorsed by Aldermen Francis LaFlamme, Sylvio A. Gagnon, Armand A. Beaulieu)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That the following parcel of land, now the property of the City of Nashua be reserved for the Fire Department, and be placed under the jurisdiction of the Fire Department for development, usage and maintenance.

Beginning at a point in Spectacle Brook; thence running as follows:

(1) Easterly along a line 30 feet Southerly of and parallel to the Southerly side of the classroom building, two hundred (200) feet plus or minus, to a point; thence

(2) Southerly by a right angle, fifty (50) feet to a point; thence

(3) Easterly one hundred twenty-five (125) feet to a point 10 feet Westerly of the center line of a proposed 18 feet, paved drive; thence

(4) Southerly along a line 10 feet Westerly of and parallel to the center line of said proposed drive, one hundred fifty (150) feet to a point in the Northerly line of Pine Hill Road, thence

(5) Westerly along the Northerly line of Pine Hill Road, three hundred twenty-five (325) feet, plus or minus to a point in Spectacle Brook; thence

(6) Northerly by the center line of Spectacle Brook, two hundred (200) feet, plus or minus to the point of beginning.

Containing 1.5 acres, plus or minus.

Whenever such land or buildings shall no longer be used for the purposes of the department, the care and control shall revert to the City.

RESOLUTION
APPROVING THE COMPLETED PLANNING DOCUMENTS FOR CONSTRUCTION OF THE SALMON BROOKS INTERCEPTOR 1 & 2, SOUTH MERRIMACK INTERCEPTOR AND SEWAGE TREATMENT PLANT

(Endorsed by Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS City of Nashua, New Hampshire accepted an offer from the United States Government for an advance for preparation of planning documents pertaining to a public work described as the construction of intercepting sewers and primary sewage treatment plant; and

WHEREAS, Camp, Dresser & McKee was engaged to prepare the planning documents for the aforesaid public work and said architect and/or engineer has completed the documents and submitted them for approval; and

WHEREAS, the completed planning documents have been carefully studied and are considered to comprise adequate planning of the public works essential to the community and within the financial ability of the City of Nashua, New Hampshire to construct;

NOW, THEREFORE, be it resolved by Board of Aldermen the governing body of said applicant, that the planning documents submitted by Camp, Dresser & McKee as the basis for construction of the Salmon Brook Interceptor Contracts 1 & 2, South Merrimack Interceptor and Sewage Treatment Plant, dated August 1959, in connection with Housing and Home Finance Agency Project No. NH27-P-3016 be and the same are hereby approved; and that certified copies of this resolution be filed with the Housing and Home Finance Agency.

RESOLUTION
AUTHORIZING THE TRAFFIC COMMITTEE TO NEGOTIATE FOR A PUBLIC PARKING AREA WATER STREET

(Endorsed by Alderman James H. Larrabee)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Traffic Committee of the Board of Aldermen be and is hereby authorized to negotiate with the owner of the following described real estate for the purchase of the area for a public parking area.

A certain parcel of land with the buildings thereon located in Nashua, New Hampshire.

(1) Beginning at a point on the northerly line of Water Street approximately 124 feet westerly of the westerly line of Main Street as accepted by the City April 1957; thence

(2) Southerly by a line perpendicular to the above mentioned northerly line of Water Street 14.0 feet to the original northerly line of Water Street; thence

(3) Westerly by the northerly line of Water Street, a distance of 640 feet more or less to the property now or formerly of the Nashua Foundation; thence

(4) Northerly by land of Nashua Foundation, a distance of 44 feet to a point; thence

(5) Northwesterly by a deflection angle to the left of 32 degrees more or less, a distance of 45 feet more or less to the southerly bank of the Nashua River; thence

(6) Northeasterly by the southerly bank of the Nashua River, a distance of 548 feet more or less to the property now or formerly of Nashua Paper Box Co.; thence

(7) Southeasterly by said property of Nashua Paper Box Co., a distance of 55 feet to a point; thence

(8) Easterly by a deflection angle to the left of 35 degrees more or less, a distance of 35 feet by the land of Nashua Paper Box Co. to a point; thence

(9) Southeasterly by a deflection angle of 51 degrees to the right, a distance of 16 feet to a point on the westerly line of a 20 foot right of way; thence continuing southeasterly by an extension of the previous line, a distance of 26 feet to the point of beginning.

Meaning and intending to describe a parcel of land consisting of lots 20 and 21, Assessor's Sheet 78, located between the Nashua River and Water Street to the north and south respectively and between land of the Nashua, N. H. Foundation to the west and of the Nashua Paper Box Co. and a 20 foot right of way to the east.

RESOLUTION
AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO PURCHASE CERTAIN REAL ESTATE ON MAPLE STREET FOR A PARKING LOT
CITY OF NASHUA

CITY OF NASHUA

(Endorsed by Alderman James H. Larrabee)

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to purchase on behalf of the City of Nashua and on terms hereinafter provided, the following described real estate which is to be hereafter used for a public parking lot:

A certain tract or parcel of land with the buildings thereon, situate in said Nashua, bounded and described as follows:

(1) Southerly by said Maple Street thirty-eight (38) feet and nine (9) inches, more or less, to a stone bound; thence

(2) Westerly by land now or formerly of Cook ninety-one (91) feet, more or less, to land formerly of Herrick; thence

(3) Northerly by said Herrick land thirty-nine (39) feet; thence

(4) Easterly about eight (8) feet to a stone bound at land of said Andrews; and thence

(5) Easterly eighty-three (83) feet by said Andrews' land to the place of beginning.

Meaning and intending to describe the same parcel of land conveyed to Doris N. Robbins by deed dated July 3, 1948 and recorded in Volume 1193, Page 369 of the Hillsborough County Registry of Deeds.

Be It Further Resolved:

That the consideration to be paid therefore shall not exceed $8,200.00 and upon tender of a good and merchantable title to the premises by the owner thereof the City Treasurer, upon request of the Mayor in the usual way, shall draw his check for said amount, this amount to be drawn from the Parking Meter Fund.

RESOLUTION
AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO PURCHASE CERTAIN REAL ESTATE ON MULBERRY STREET FOR A PARKING LOT — CITY OF NASHUA

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

(Endorsed by Alderman James H. Larrabee)

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to purchase on behalf of the City of Nashua and on terms hereinafter provided, the following described real estate which is to be hereafter used for a public parking lot:

A certain tract or parcel of land with the buildings thereon, situate in said Nashua, on the corner of Mulberry and Maple Street, bounded and described as follows:

Beginning at the Northeast corner of the premises on said Maple Street at land formerly owned by Meserve; thence running Westerly by said Meserve land fifty-one and one tenth (51.1) feet to the Bakery lot; thence Southerly on a line parallel with the West side of Maple Street seventy-five (75) feet to said Mulberry Street; thence Easterly by said Mulberry Street fifty-one and one tenth (51.1) feet to the West side of Maple Street; thence Northerly by said Maple Street seventy-five (75) feet to the place of beginning.

Meaning and intneding to describe the same parcel of land conveyed to Edward Mignault and Florence Mignault, jointly by deed dated August 17, 1949 and recorded in Volume 1230, page 391.

That the consideration to be paid therefor shall not exceed $12,500.00 and upon tender of a good and merchantable title to the premises by the owner thereof the City Treasurer, upon request of the Mayor in the usual way, shall draw his check for said amount, this amount to be drawn from the Parking Meter Fund.

RESOLUTION
AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO PURCHASE CERTAIN REAL ESTATE ON ELM STREET FOR A PARKING LOT — CITY OF NASHUA

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

(Endorsed by Alderman James H. Larrabee)

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to purchase on behalf of the City of Nashua and on terms hereinafter provided, the following described real estate which is to be hereafter used for a public parking lot:

A certain tract or parcel of land, with the buildings thereon, situate on the East side of Elm Street, in Nashua, County of Hillsborough and State of New Hampshire, bounded and described as follows:

Beginning at a cross in the sidewalk at the center of a driveway owned in common with owners of adjoining property on North; thence

(1) Easterly by the center line of said driveway 77.76 feet to land of Nichols formerly Carpenter; thence

(2) Southerly by said Nichols land 6.6 feet to a stone bound; thence

(3) Easterly 21.63 feet by said Nichols land to land now or formerly of Robbins; thence

(4) Southerly by land of said Robbins and land of Gorman (now or formerly) to land of Gardner, now or formerly; thence

(5) Westerly 100 feet more or less by land of said Gardner and land of Hathaway Bakeries, Inc., to said Elm Street; thence

(6) Northerly by said Elm Street 57.95 feet to place of beginning.

Together with the right to pass and repass over a strip of land that is parallel to and four (4) feet Southerly from the Southerly line of the above-described premises and extending Easterly Seventy-seven and Seventy-six hundredths (77.76) feet from the East line of Elm St.

Reserving however the right to pass and repass over a strip of land that is parallel to and four (4) feet Northerly from the Southerly line of the above described premises and extending Easterly seventy-seven and seventy-six (77.76) feet from the East line of Elm Street.

The above strips of land are to used in common as a driveway and is to remain free of all obstructions at all times.

Meaning and intending to convey Lot #3 as shown on Plan of Land of C. E. and R. A. Nadreau, Elm Street, Nashua, made by Earle L. Williams, dated June 19, 1948 and recorded in Hillsborough County Registry of Deeds as Plan #760.

Be It Further Resolved:

That the consideration to be paid therefor shall not exceed $8,900.00 and upon tender of a good and merchantable title to the premises by the owner thereof the City Treasurer, upon request of the Mayor in the usual way, shall draw his check for said amount, this amount to be drawn from the Parking Meter Fund.

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-nine

(Endorsed by Alderman James H. Larrabee)

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to purchase on behalf of the City of Nashua and on terms hereinafter provided, the following described real estate which is to be hereafter used for a public parking lot:

A certain tract or parcel of land, with the buildings thereon, situate on the Easterly side of Elm Street in said Nashua, and being Lot #1 as shown on a plan recorded in the Hillsborough County Registry of Deeds, as Plan Numbered 760, entitled, "Plan of land of C. E. and R. A. Nadreau, Elm St., Nashua, N. H., June 19, 1948, Earle L. Williams, Surveyor," together with all my rights to the use of a common driveway, shown on said Plan and lying Southerly of the building on the herein-described premises. The premises herein conveyed are bounded and further described as follows:

Beginning at a stone bound in the North line of a common driveway leading Easterly from Elm Street at the Southeast corner of the land herein conveyed, said stone bound is 70.64 feet East from Elm Street; thence

(1) Northerly by land now or formerly of Francis K. Nichols and Doris A. Nichols and shown as Lot #2 on said Plan #760, 33.65 feet to a stone bound at land now or formerly of Clifford E. Nadreau and Rose A. Nadreau; thence

(2) Westerly by said Nadreau land and land now or formerly of A. M. McLaughlin, 70.55 feet to a cross mark in the back of the walk on the Easterly line of said Elm Street; thence

(3) Southerly by the said Easterly line of said Elm Street, 38.05 feet to a cross in the back of the walk at the Northwest corner of Lot #3 on said Plan #760; thence

(4) Easterly by said Lot #3, 77.76 feet to a point at Lot #2 this bound is the middle line of the common driveway; thence

(5) North by said Lot #2, four (4) feet to a stone bound at an inside corner of said Lot #2; thence

(6) Westerly by said Lot #2, 7.12 feet to the place of beginning, containing 2503 sq. ft. according to said Plan #760.

Meaning and intending to describe the same parcel of land conveyed to Frank E. Kelley and Adrienne C. Kelley by deed dated February 1, 1955 and recorded in Volume 1416, Page 420.

That the consideration to be paid therefor shall not exceed $13,500.00 and upon tender of a good and merchantable title to the premises by the owner thereof the City Treasurer, upon request of the Mayor in the usual way, shall draw his check for said amount, this amount to be drawn from the Parking Meter Fund.

AN ORDINANCE

ESTABLISHING A NASHUA REGIONAL PLANNING COMMISSION

(Endorsed by Alderman Antonio J. Joyal)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Chapter XXVIII of the Revised Ordinances of 1950 be and is hereby amended by adding thereto the following new Part:

Part II

NASHUA REGIONAL PLANNING COMMISSION

SECTION 1. ESTABLISHED. Pursuant to the authority granted in Sections 37-44, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955, the City of Nashua hereby joins in the establishment of a Regional Planning Commission with the Town of Hudson and other municipalities in the Nashua metropolitan area.

SECTION 2. COMPOSITION. The Regional Planning Commission shall consist of two representatives from member municipalities with a population less than 10,000 three representatives from member municipalities with a population between 10,000 and 25,000, and four representatives from the City of Nashua, Nashua representatives shall be nominated by the City Planning Board, and appointed by the Board of Aldermen.

SECTION 3. QUALIFICATIONS AND TERMS OF REPRESENTATIVES. The term of each Nashua representative appointed to the Regional Planning Commission shall be four years, except that the initial terms of three of the representatives shall be one, two, and three years. All Nashua representatives shall serve without compensation and shall hold no other municipal office except that at least one such representative shall be a member of the City Planning Board.

SECTION 4. REMOVAL OF REPRESENTATIVES. Nashua representatives of the Regional Planning Commission appointed by the Board of Aldermen may be removed by the Board of Aldermen for inefficiency, neglect of duty, or malfeasance in office.

SECTION 5. VACANCIES. Vacancies in representation of the Regional Planning Commission, occurring other than through the expiration of term, shall be filled for the remainder of the unexpired term in the same manner as original appointments.

SECTION 6. ORGANIZATION, OFFICERS, MEETINGS AND BY-LAWS. The Regional Planning Commission shall elect annually from among its members a chairman, vice-chairman, and such other officers as it deems necessary.

Meetings shall be held at the call of the chairman and at such other times as the Commission may determine. The Commission shall adopt by-laws for the conduct of its business and shall keep a public record of its Resolutions, transactions, findings, and determinations and shall forward a copy of the minutes of its meetings to the local Planning Board of each member municipality.

SECTION 7. FINANCES. The Regional Planning Commission may accept and receive funds, grants, and services from federal, state, and muni-

cipal governments and their agencies or from private and civic sources. The Commission shall determine, on a reasonable and equitable basis, the proportion of its costs to be borne respectively by each member municipality. Failure on the part of any member municipality to pay its proportionate share of the costs of the Commission shall constitute a termination of such municipality's membership on said Commission. Within the amounts, thus appropriated to it or with other funds placed at its disposal, the Commission may engage employees and professional consultants, may use such funds in conjunction with other public or private funds available, and may obtain such goods and services as are necessary to it in carrying out its proper functions.

SECTION 8. GENERAL POWERS AND DUTIES. It shall be the duty of the Regional Planning Commission to prepare a comprehensive master plan for the development of the region within its jurisdiction. The area of jurisdiction shall include the areas of the respective municipalities forming the commission. The comprehensive master plan shall include, among other things, the Commission's recommendations for the use of land including matters relating to zoning, land subdivision and urban renewal, the development of transportation and highway facilities, the development of utilities facilities including those necessary for water, electricity, gas and sewage, the location of public lands and matter requiring the coordinated efforts of the municipalities represented on the Commission.

The Commission's powers shall be advisory and shall generally pertain to the coordinated development of the region within its jurisdiction. The Commission may make recommendations, on the basis of its plans and studies, to selectmen of any town, and to the Aldermanic Board of any City within its region, and to county, state and federal authorities.

SECTION 9. LIMITATIONS AND SAVINGS CLAUSE. The invalidity of any provision hereof shall not affect the validity of any other provision.

That Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end the following new section:

Section 18

ENCLOSURE OF SWIMMING POOL:

Every outdoor swimming pool or family pool shall be completely surrounded by a fence or wall not less than 4 feet in height, which shall be so constructed as not to have openings, holes or gaps larger than 4 inches in any dimension except for doors and gates; and if a picket fence is erected or maintained, the horizontal dimension shall not exceed 4 inches. A dwelling house or accessory building may be used as part of such enclosure.

All gates or doors opening through such enclosure shall be equipped with a self-enclosing and self-latching device for keeping the gate or door securely closed at all times when not in actual use, except that the door of any dwelling which forms a part of the enclosure need not be so equipped.

"This requirement shall be applicable to all new swimming Pools or family pools hereafter constructed, other than indoor pools and shall apply

to all existing pools which has a minimum depth of 18 inches of water. No person in possession of land within the city, either as owner, purchaser, lessee, tenant or licensee, upon which is situated a swimming pool or family pool having a depth of 18 inches or more shall fail to provide and maintain such fence, wall or barrier as herein provided."

AMENDING THE BUILDING CODE

(Endorsed by Alderman Francis LaFlamme)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Subsection B1 of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said section and inserting in place thereof the following:

1. Plumbing Board:

The Mayor is hereby authorized to appoint, subject to the approval of the Board of Aldermen a Board to be known as the Plumbing Board. Said Board shall consist of three members, the first member to be appointed for three years, the second for two years and the third for one year, and thereafter as their terms expire, each shall be appointed for three years. Each shall hold office until his successor shall be appointed and qualified. Vacancies shall be filled for the unexpired term. Said Board shall consist of a master plumber who has been engaged for at least five years in active plumbing business in this state, a plumbing inspector, or in the absence of such an officer, a member of the local board of health, and a journeyman plumber who has had at least five years active service. It shall be the responsibility of this Board to enforce the provisions of the Nashua Plumbing Code and the State Plumbing Code. They shall serve without pay as members of said Board.

That Subsection B3 (2) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end thereof the following new subsection:

(e) Such permit shall be issued on receipt of the fee as based on the following table:

First five fixtures on a New Structure	$3.00
Each additional fixture	.50

That Subsection i of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said section and inserting thereof the following:

i. INSPECTORS

The plumbing inspector and the assistant building inspector shall be one and the same person.

That Section 2 (a) of Section 27, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said section and inserting in the place thereof the following:

Section 2. BUILDING OFFICIALS.

(a) Inspector. The City Engineer shall act as Inspector of Buildings and shall have the duty of enforcing the provisions of this Ordinance. A member of his staff who shall have full knowledge of Building Codes and a knowledge of building construction, plumbing and electrical work gained by at least two years experience in the inspection of buildings will be designed as Assistant Building Inspector and may represent the Inspector of Buildings in all matters pertaining to the Administration of the Code.

That Section 3A 2 of Section 27, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end thereof the following new subsection;

(e) Such application shall indicate approximate cost of the contemplated work and a fee based on the table below will be collected upon filing of the application.

BUILDING PERMIT:

Cost of Work			Fee
From $1,000.00	to	10,000.00	4.00
From 10,000.00	to	20,000.00	8.00
From 20,000.00	&	Up	20.00

ELECTRICAL PERMIT:

Complete New Structure	2.00

That section 3 of Section 27, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end thereof the following new subsection:

(f) Inspections:

1. The office of the Building Inspector shall be notified by the owner or contractor when each of the following stages of construction is ready for inspection:

a. Foundation
b. Rough framing
c. Electrical wiring
d. Plumbing
e. Final inspection when building is completed but before occupancy.

2. All notification shall be made to the office of the Building Inspector 24 hours in advance of the above inspections (Sundays and Holidays not included).

3. No work to be inspected shall be covered or concealed until it has been inspected and approved.

AN ORDINANCE
ESTABLISHING A TRAFFIC COMMISSION
(Endorsed by Mayor Mario J. Vagge)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

Amending Chapter XIV of the Revised Ordinances, by adding at the end thereof the following new section:

Section 12 TRAFFIC COMMISSION

1. HOW CREATED. The Mayor is hereby authorized to appoint subject to the approval of the Board of Aldermen a Commission to be known as the Traffic Commission. The said Commission shall consist of three members. The first Commissioner shall be appointed initially for three years, the second for two, the third for one year, and thereafter as their terms expire, each shall be appointed for three years. Each shall hold office until his successor shall be appointed and qualified. Vacancies shall be filled for the unexpired term. All the Commissioners shall serve without salary.

2. QUORUM. A majority of the members shall constitute a quorum for the transaction of any business, for the performance of any duty, or for the exercise of any power.

3. DUTIES AND POWERS. The Commission is hereby authorized in the name of the City to study and investigate all traffic conditions in the city. It shall also recommend to the Traffic Committee of the Board of Aldermen necessary legislation for the improvement of traffic conditions within the City, and shall further recommend traffic changes needed for the good of the City.

4. TO ORGANIZE ANNUALLY. The said Commission shall organize annually in the month of January by the choice of one of its members as chairman. It shall also elect a Clerk and any other necessary officers to serve for one year or until their successors are chosen.

5. TO MAKE REPORTS. The said Commission shall, at the close of every year make a detailed report to the Board of Aldermen of its activities for that year, which report shall be published with the report of other municipal departments.

REPORTS OF CITY DEPARTMENTS FOR THE YEAR ENDING 1959

REPORT OF THE BOARD OF ASSESSORS

December 31, 1959

To Mayor Mario J. Vagge,

Members of the Board of Aldermen.
Gentlemen;

The Board of Assessors herewith submits the annual report for the year 1959.

It is with deep regret that the Board records the death of Chairman Victor C. DuVarney, who died suddenly September 8, 1959.

ANNUAL REPORT

The Board of Assessors and staff include; Chairman Victor C. DuVarney, David P. Stevens and M. Joseph Sullivan, Assessors. Following the death of Chairman DuVarney the Assessors met in joint convention with the Board of Aldermen November 10, 1959 and Paul E. Sirois was named to fill the vacancy. The staff includes, Louis A. Richard, head clerk and Mrs. Lois Moran and Mrs. Madeline Shubelka as clerks.

The year 1959 was a record year for the Board of Assessors and total valuation of the City of Nashua reached an all time high of $65,785,398 an increase of $3,266,715. This increase of more than three million dollars in valuation set a new record and is the largest increase in any one year in the history of the city. There was continued activity in all departments, with increased building, addition of new manufacturing plants and a large number of property transfers. The Assessors continued the work of adjustment of valuations in all sections of the city.

The State Tax Commission approved a tax rate of $61.00 for 1959, which was an increase of only $1.60 per thousand, despite a sizeable increase in the 1959 budget.

The Assessors' office mailed out 9,074 inventories to property owners, manufacturers, stores and others, in 1959. This was an increase of 137 over 1958. Of the 9,074 inventories mailed, there were 7760 returned, again an increase over 1958 and evidence of increased work in the Assessors' office.

Applications by Veterans, for the $1,000 property exemption, granted under state law, again showed an increase. The total number of Veterans granted exemptions reached 2,224, an increase of 71. The total amount of exemptions granted reached a new high and totalled $2,281,260, an increase of $114,400 in assessed valuation. Poll tax exemptions were granted 4,994

Veterans, a decrease of 19 from 1958 figures.

The Assessors listed 16,472 persons for poll taxes and 21,466 for head taxes.

During the year of 1959 there were 1560 property transfer deeds copied from the Register of Deeds office. Work of taking off this large number of deeds entailed considerable work in the office in changing records, cards, addressograph plates as well as many map changes.

Inspections of property by the Board of Assessors again showed an increase with the Board making 1640 inspections, including new buildings and buildings where additions or alterations were made. This resulted in additional valuation figures and many adjustments in valuations.

During the year the Board received 47 requests for abatements. Members made thorough investigations and re-inspections of these properties. A total of 23 abatements were granted, a very small number in comparison to the number of pieces of property on the assessment rolls.

In addition to listing all property sales and making record changes, the office has continued to list all mortgages recorded and also compiled information and data on manufacturing and business establishments.

Additional revenue for 1959 was $2,225.41. This added revenue came from business places opening after the April 1 assessment date.

The Assessors' office have again compiled a list of all tax exempt property including land and buildings owned by the City of Nashua, County, State and Federal Governments and also property owned by churches, religious groups and charitable institutions. Under a recent law all religious and charitable institutions must file with the State Tax Commission and the exemption approved by the State.

The books and records in the Assessors' office are open for public inspection at all times the office is open. During the year the Assessors have answered many letters requesting information as to property and hundreds of persons have called at the office for information regarding property taxes, size and location of property and names of owners. We have tried to assist in all these requests.

Respectfully submitted
Board of Assessors

DAVID P. STEVENS
MICHAEL J. SULLIVAN
PAUL E. SIROIS

ANNUAL REPORT OF THE BOARD OF FIRE COMMISSIONERS FOR THE FINANCIAL YEAR OF 1959 CITY OF NASHUA, NEW HAMPSHIRE

TO THE HONORABLE MAYOR AND BOARD OF ALDERMEN:
Gentlemen;

The Board of Fire Commissioners herewith submits its Annual Report for the year 1959.

The Board met on January 1st 1959 and organized by electing M. G. Riviere, Chairman; R. F. Girouard, Purchasing Agent and J. H. McLaughlin, Clerk.

OPERATING PERSONNEL

The operating personnel on the two platoon system of the Fire Department was as follows; Chief, Senior Deputy, Junior Deputy, 2nd Junior Deputy, Supt. of Fire Alarm, Master Mechanic, 7 Captains, 6 Lieutenants, 63 Privates and 20 Call Firemen.

FIRE APPARATUS

The following is a list of apparatus stationed in all Stations; 1—1958 Dodge, 1—1955 Ford, 1—1959 International Fire Alarm truck, 1—1948 Dodge Maintenance truck, 1—1956 Mack Engine, 1—1957 GMC FWD Engine, 1—1957 Mack Engine, 1—1958 Mack Engine, 1—1949 Mack Engine, 1—1958 Mack Engine, 1—1947 Mack Engine, 1—1957 Mack Engine, 1—1942 Maxim Engine, 1—1937 Chevrolet Engine, 1—1946 American-Lafrance 85' Aerial Ladder, 1—1925 Ahrens-Fox Ladder, 1—1925 Ahrens-Fox Ladder.

FIRE PREVENTION BUREAU

During the year of 1959 a total of 10,905 calls were made on inspections of dwellings, mercantile, manufacturing establishments, schools, churches, orphanages, clubs, public places of assemblies, burner installations both gas & oil, and other duties. The activities of the Fire Prevention Bureau during the year of 1959 will indicate a twenty-two and one half percent increase over the previous year. This we believe is due to the Citizens of Nashua who have received the services for which the bureau has established in the prevention of fires, through inspections and educational programs. It is true, while Fire Prevention is an essential part of the Fire Department's responsibility, there are many agencies to whom we are grateful for their help and without their cooperation the success of this program would be limited.

May we extend our appreciation and thanks to the Police Department, the Board of Assessors, the City Engineer, the Public Service Company, the Board of Health, the State Fire Marshal who has contributed in many ways the source of help in our investigations. We are grateful to the various manufacturers, and Retail Merchants, the Administrators of Institutions, to the owners and occupants of dwellings who have accepted our recommendations in the prevention of fires. To the Telegraph Publishing Company Radio Stations W.O.T.W and W.S.M.N., our appreciation for their time and space in conveying our messages on Fire Prevention to the people of Nashua.

DRILL-MASTER

The following is a report on drills conducted by your Drill-Master for the period beginning January 1, 1959 to December 31, 1959.

24 drills with E & J Resuscitator, 8 Drills with mouth Respiration, 8 Drills with back press arm lift respiration, 8 Drills drafting with pumps. 8 Drills using foam equipment, 16 Drills with hand ladders, 4 Drills with Aerial Ladder, 8 Drills with smoke masks, 8 Drills with 6 knots used in Fire Department work, 8 Drills with fog nozzles, 8 drills on First Aid in fire fighting with movies, 8 Drills on Chemistry of fires with movies, 8 Drills on use of water fog movies, 2 drills on special hydrants at Koppers Company, 1 drill at Francestown Fire Department on Ventilation and movie on water fog, 2 Drills each on the use of hand tanks at Sprague Electric Co., J. F. McElwain Co. and St. Joseph's Hospital. 12 Drills for Call Men, 2 Days as Drill Master at N. H. Fire Chief's School. Week at Conn. State Fire School at New Haven, Conn.

This makes a total of 145 drills held in 1959.

FIRE ALARM SYSTEM

During 1959 we have put in 17 Master Fire Alarm Boxes making a total of 51. Put in 10 Street Boxes for a total of 25 for the year and a total of 214 boxes in service. 4 miles of wire were run and there were about 75 changeovers for the Telephone Company and the Public Service Company. All boxes were tested every month and all 214 have been retimed. Made 38 new splices in cable and have 25 more to do. All Fire Alarm Boxes and Standards were painted during the year.

Respectfully submitted

Street Name Changes

Stark Street—east of Concord St.—changed to E. Stark Street

The operations of the Public Works' Department for 1959 cost $643,354.00 which was 15% of the City's Budget for the year. This amounts $16.49 per person for the year, for services of street maintenance and construction; sewer maintenance and construction; rubbish collection and disposal as well as the purchasing and maintenance of the department's equipment, and all costs of administering the Building Code and the Zoning Ordinance. As the various aspects of the department's work is reported below, the total cost and the cost per capita will be indicated.

STREETS

Cost 1959 — $238,751.00 $6.12 per capita

The department has the responsibility of maintaining more than 136 miles of existing streets and roads within the city limits including traffic signs, tree removal, street sweeping in the summer and snow and ice removal in the winter. Each year new streets are accepted which have to be gravelled and surfaced. A continuation of asphaltic concrete resurfacing program instituted in 1959.

Asphaltic concrete was applied to sections of Walnut Street, Pine Street, Manchester Street, Spring Street, Elm Street, Chestnut Street.

Portions of the following streets were rebuilt — Crescent Street, Mt. Pleasant Street, Mason Street, Tolles Street, Walnut Street, Elm Street and Pine Street.

In addition to the funds included in the Department's Budget, the State Department of Public Works and Highways made available to the City $17,356.35 which was used to purchase asphalt and tar for the resurfacing program.

NEW CULVERTS

Cotton Road
Almont Street
Buckmeadow Rd.
D. W. Highway
Stetson Road

ROUNDING CORNERS

Blaine Street corner Monroe Street
Lake Street corner Monroe Street
Lake Street corner Linwood Street

SEWAGE DISPOSAL

Cost 1959 — $155,806.73 $3.99 per Capita

Sewer construction in 1959 cost the City $99,642.96 or 15% of the department's funds. The cost of maintaining and replacing existing sewage system accounted for $45,566.96 another 7%. Detailed construction plans for a Sewage Treatment Plant, the Salmon Brook Interceptor and the South Merrimack Interceptor were prepared and approved for construction by the N. H. Water Pollution Board and the U. S. Public Health Service. The City has been ordered by the State Water Pollution Board to remove all sewage from the Salmon Brook. It is now anticipated that construction of the treatment plant and the portion of the Salmon Brook Interceptor required at this time to comply with the N. H. Water Pollution Board's order will be underway in 1960.

State and Federal Funds will be available to cover approximately 50% of this project.

The department is maintaining four sewage pumping stations at the present time. Three of these are in operation full time at Pine Street, Lund Road and Watson Street. The fourth is a flood control facility at the Bridge Street Bridge and is maintained for immediate use at all times in cases of flood conditions.

RUBBISH COLLECTION & DISPOSAL

The Board of Public Works inaugurated two changes in the rubbish collection and disposal operation in 1959. They purchased one new Rubbish Packer with 20 c.y. body. The sanitary land fill was in operation all year at the Haines Street site (Lewis Pit) and a former hole in the ground is rapidly changing into a well graded piece of land that will make an ideal playground and athletic field. Another sanitary land fill site has been obtained off Canal Street through the efforts of this Board and Sanders Associates. This site also is a hole that is unusual in its present condition, but after several months of use for rubbish disposal will provide ideal off-street parking for employees of Sanders Associates.

The Department now uses six Rubbish Packers and Open Trucks when required, in collecting the rubbish, and a Traxcavator Front End Loader is used to maintain the disposal areas.

The Department maintains the Lewis Pit Disposal Area for public use Monday through Saturday with an attendent present at all times when the area is open. Two other areas are used for city trucks only when the collections are made in the immediate vicinity.

GENERAL

Roping off Streets for Parade & Funerals.
Setting Benches on Main Street.
Assisting Fire Department.
O. S. Maynard Housing Sidewalks.
Dynamite (Storage) House.
Excavation for Gas Tank (City's Garage).

During the year the following work was completed:

All the walks in section "N" were filled, graded and seeded. This will complete filling all the walks in the cemetery except the walks in the old part of the cemetery, and this has been done in the past as we regraded this part of the cemetery.

The tree fertilization program that was started last year has been increased, results from this program began to show this past season with better foliage, and a greater resistance to disease.

We wish to thank the City Engineers, and the Board of Public Works for the fine cooperation received from their departments in establishing grade lines and manholes for the new sewer line that was layed this past season. With their help we were able, with our own labor, to lay some 330

feet of 8" Transite pipe for storm drain that should take care of much of the water problem that we had each spring.

Due to the open winter that we had last year we lost quite a bit of lawn to winter kill, this has been reseeded and has come along fine.

This last season being wetter than usual watering was at a minimum, and mowing was done more often.

All roads were graded, and kept free from weeds.

Due to the lack of interments over some previous years, not as many lots were sold and this made our income a little on the low side.

Respectfully submitted

The Trustees of Edgewood Cemetery
JAMES L. BICKFORD, President
ALBERT A. DAVIS, Secretary

REPORT OF THE WOODLAWN CEMETERY

To the Mayor and Board of Aldermen of the City of Nashua, N. H.;

Abbie J. Dunlap Fund	200.37	
Reserve for Fence at West End of Cemetery	1,238.85	
Total Funds Received		**$228,499.35**

Additions to Funds during Year of 1959

Funds for Perpetual Care	$ 3,440.50
Funds for Flowers	2,150.00
Dunlap Fund Interest	5.87
Capital Adjustments	957.47
Fence Reserve	776.65
Total Additions	**$ 7,330.49**

The Trustees wish to acknowledge, with thanks, the co-operation of the Public Works Department in providing filling for the West End of the Cemetery, for the amount provided in our 1959 Budget. The Trustees are desirous of making further extensions of the Fence at this end of the Cemetery in the near future.

Through the cooperation of Mr. W. Dexter Cadwell, residuary legatee, the monuments, burials, etc., in the Kendall-Vickery lot have been moved to a new location, thus eliminating a very sharp corner at the upper end of one of the main avenues.

The regular maintenance work has been carried on in the usual manner and the Trustees feel that everything has been carried on as satisfactorily, as possible.

Respectfully submitted,

The Trustees for Woodlawn Cemetery

STEPHEN W. BASTOW, President

ROBERT N. FRENCH, Secretary

Nashua, N. H., January 22, 1960

ANNUAL REPORT - 1959
NASHUA CITY PLANNING BOARD

BOARD MEMBERSHIP

Appointed Members:

Edwin B. Stevens (Chairman)	Term expires March 31, 1965
Vacancy	Term expires March 31, 1964
Oliver J. Dambroise	Term expires March 31, 1963
Joseph M. Kerrigan (Vice Chairman)	Term expires March 31, 1962
Richard W. Leonard (Clerk)	Term expires March 31, 1961
Donald C. Calderwood	Term expires March 31, 1960

Ex-Officio Members:

Mario J. Vagge, Mayor
Antonio J. Joyal, Alderman at Large
Joel B. Hill, City Engineer

Planning Director
LEONARD F. HUBBARD

PLANNING ORGANIZATION CHANGES

Through the death of Abraham B. Slawsby, the Board lost an associate with an admirable sense of civic duty and a thorough knowledge of the community. Mr. Slawsby had been a member of the Board since its inception in 1952 and had served as Chairman until 1957.

Because the Planning Board Ordinance prohibits membership for most municipal employees, Robert J. Twombly, Assistant City Engineer, resigned early in the year. Similarly, his successor, Carmen L. Leah, resigned in October following his appointment as Assistant Executive Director of the Housing Authority.

In October, following a review of applications received and interviews held, the Board appointed Mr. Leonard F. Hubbard to the full time position of Planning Director. Working space for the Board's operations was made available in the office of the City Engineer, and appropriate equipment and supplies were purchased.

REGIONAL PLANNING COMMISSION

In the interest of promoting a coordinated planning effort among Nashua and the several surrounding Towns, the Board prepared and introduced an ordinance creating a Nashua Regional Planning Commission. The Board of Aldermen passed the ordinance in April. Hudson had previously voted to join in such a commission. The Commission has been established and includes four Nashua members and two Hudson members. It is hoped that other towns will vote to join in this regional planning program at their March 1960 meetings.

ZONING

In accordance with the requirements of the Zoning Ordinance, two proposals for zoning amendments were referred to the Planning Board by the Board of Aldermen for public hearing and recommendation.

(1) Change in use from Light Industrial to General Business, of land in the vicinity of Main Street, Pond Street, Otterson Street, and Salmon Brook was proposed. The Planning Board recommended that the proposed change be made and the Board of Aldermen amended the Zoning Map accordingly.

(2) Change in use from Suburban to "A" Residence, of land west of the Everett Turnpike in the vicinity of Pine Hill Road, Broad Street, and Dublin Avenue was proposed. The Planning Board recommended that no change be made and the Board of Aldermen did not amend the Zoning Map.

TRAFFIC STUDIES

Realizing that traffic and parking are major problems, the Board is anxious to complete a Major Street, Traffic Circulation and Parking Plan. A preliminary plan was prepared during 1958. The Nashua Area Bridge and Highway Study to be conducted through the State Highway Department during 1960 will provide much of the basic information required to complete this plan. In order to obtain basic data on traffic and parking in the central business district, the Board recommended to the Aldermanic Traffic Committee that a supplementary study be carried out concurrently by the same consultant staff conducting the State study.

LAND USE SURVEY

The Board has initiated a survey of the existing use of land throughout the city. The Planning Director has made a preliminary inspection of all land with street access and the information obtained has been coded and recorded on a complete set of Assessors' Sheets printed for this purpose. This information will also be consolidated on a single city-wide map.

LAND SUBDIVISION ORDINANCE

The Board has prepared a Land Subdivision Ordinance and Land Subdivision Regulations, the purpose of which are to ensure the proper future development of land in accordance with sound planning principles. The Ordinance will be introduced into the Board of Aldermen during January 1960.

OTHER STUDIES AND REPORTS

Various other studies and recommendations were made during the year including:

(1) High Street Project — The Board prepared a city-wide neighborhood analysis and district plan for submission to the Housing and Home Finance Agency by the Housing Authority. This was one of the remaining documents required to obtain final approval of the redevelopment project which is now underway.

(2) Old Age Housing — During August 1958, the Board and the Housing Authority initiated a joint study to select a site for a 50-unit Housing Project for the Aged. Considerable attention was given to the Park Street — Pearson Avenue area and several possible site plans were prepared by Dursa & Lampron, architects for the Housing Authority. However, the Housing and Home Finance Agency would not accept this are because of excessive land acquisition costs. The Board's final report, submitted to the Board of Aldermen in June, recommended using vacant land adjacent to the existing Burke Street Public Housing Project. This site has since been approved and the new project will be located there.

(3) Comfort Station — At the request of the Board of Aldermen, the Board studied the feasibility and desirability of a city-operated Comfort Station in the northern sector of the business district. The Board recommended that no action be taken but did suggest that such a project might be incorporated into the High Street Redevelopment Project at a later date.

REPORT OF THE CITY SOLICITOR YEAR ENDING 1959

To His Honor the Mayor and Board of Aldermen
City Hall Building
Nashua, New Hampshire

Gentlemen:

During the year 1959, I performed to the best of my ability all the duties appertaining to my office as City Solicitor. Upon request I have drafted all resolutions, ordinances, contracts, deeds, leases, easements, written opinions and all other legal instruments affecting the City of Nashua.

I have prosecuted several civil actions brought by order of the City and have appeared in defense of all law-suits brought against the City and its officers in their official capacity.

All civil actions have been disposed of with the exception of the following: Towns vs. City of Nashua, Rowland Industries vs. City of Nashua, Sportwell Shoe Co. vs. City of Nashua, Ackley vs. City of Nashua and Labednick vs. City of Nashua.

I have also prosecuted criminal cases in Municipal Court whenever requested by the Chief of Police.

Respectfully submitted,
LEO R. LESIEUR, City Solicitor

TRUSTEES REPORT FOR 1959

To Mayor Mario J. Vagge, Nashua Board of Aldermen, and the Citizens of Nashua:

The Trustees of the Nashua Public Library present their 1959 annual report of the activities of the Library to which is appended the report of the City Librarian.

For the past several years the Board has concerned itself with library extension incident to the demands of a marked rise in population accompanied by extensive home building. Existing facilities have been improved, and the bookmobile, authorized in March by the Mayor and Board of Aldermen, and in operation since August, is a genuine achievement. It will go far toward fulfilling our obligation to provide effective library service to all parts of the city.

A Planning Committee for the Chandler Memorial Library will determine the requirements for the opening of this new building, and make recommendations. Mr. Frank B. Clancy is Chairman of this Committee.

A good library is more than a collection of good books, and the Board is grateful for the professional competence and spirit of service exhibited by the Librarian and his staff.

Respectfully submitted,
FREDERICK H. DOBENS, Chairman
Board of Library Trustees

LIBRARIAN'S REPORT

To the Board of Trustees of the Nashua Public Library:

Last year in my annual report I used superlatives to describe the increased use of library facilities in 1958. In light of the even greater increases in 1959, I should have used more moderate terms.

A total of 239,188 books were borrowed from the Nashua Public Library in 1959 as compared to 226,843 in 1958. This was an approximate 5% jump, the busiest in the history of the library. The Bookmobile's circulating 35,664 books was largely responsible for this increase.

The demands for books did not present any problems new to the library. There is still the predominant demand for currently popular novels and books dealing with a wide diversity of subjects. As expected, work with children required considerable duplication of books which fill an immediate and specific need. Every effort has been made to meet the anticipated reading interests of all segments of the community.

PERSONNEL

The library staff has given full cooperation and, in many instances, service beyond what is ordinarily expected. We have been fortunate in securing the services of Mrs. Louise Price, Mrs. Eleanor Monius, and Mrs. Edith McEvoy among our library assistants.

I regret that is is not possible here to commend each of the older staff members personally for their contributions to the library. It must suffice to express my gratitude for their efforts.

As a result of the McKay Report, a complete reorganization of staff assignments has been made. Mrs. Joan Hopkins was put in charge of the desk operation and to her was delegated the job of circulation routines as well as the compilation of circulation statistics of all libraries. The centralization of registration records under one staff member was distinctly indicated to coordinate better this most essential type of library record keeping. This job has been delegated to Mrs. Eleanor Monius. A sharp line, within existing physical and personnel limitations, was drawn between reference and desk work. This change has made for a smooth and more efficient service operation.

As the Nashua Public Library continues to expand in size and personnel it becomes increasingly important that aspects of personnel management be clearly stated and in the hands of every employee. It is also important that a pay classification plan be adopted commensurate with responsibility and job tasks performed.

Last fall the Board of Library Trustees appointed a Personnel Handbook Committee under the chairmanship of Mr. Frederick H. Dobens. This committee is already at work. It is my recommendation to this Committee that we adopt the revised handbook originally prepared by Mrs. McKay as well as study the adoption of a pay classification plan.

BOOKMOBILE

The Library Staff and your Librarian look back with considerable enthusiasm on the Bookmobile's first year of operation. It should probably be said that I was somewhat concerned for fear our enthusiasm in presenting this new service would not be matched by the residents of the City. I am pleased to report that my concern was unfounded. Only two neighborhood stops out of nineteen proved less satisfactory than we expected. We are now unable to fulfill the requests for more and longer neighborhood stops for want of staff and time.

Our present schedule established in September takes the Bookmobile to seventeen neighborhoods in the city once a week, with an average of one hour for each stop. Three mornings each week the Bookmobile visits schools. Five schools, Crowley, Ledge Street, Fairgrounds, Infant Jesus, and Charlotte Avenue are on the schedule. These are the schools which do not have a library in the immediate vicinity. Each school is visited every other week.

In terms of hours, this schedule calls for the Bookmobile to be on the road thirty-two hours a week with additional seven hours allowed for clerical work and other demanding routines. Thus the bookmobile is on a 38 hour a week schedule.

From August to December 1959 the Bookmobile circulated 35,664 books. It provided readers' advisory service to adults, maintained a careful selection of books for children geared to reading ability and taste of the individual child, and instilled within the residents of the city the idea that in spite of its limited size any book requested would be obtained if in the stack of the Nashua Public Library. Limited reference service was given when possible, but it must be remembered that the size of any Bookmobile prevents extensive reference service, does not allow for study and reading facilities. However, the remarkable record of books circulated during these five months more than justified the relatively small investment of tax money.

We have found from our first five months of operation that neighborhoods with a predominance of young families make the most effective neighborhood stops. We have also found that we are able to provide a larger and better book collection for schools with the Bookmobile than we could previously provide by means of school or classroom collections.

Credit for this smooth operation and for the outstanding success of the Bookmobile must be given entirely to Miss Dorothy Harris, the Bookmobile Librarian, and for her assistant Mrs. Martha Paquette. Their enthusiasm and exceptional hard work under difficult conditions account for the bright picture I have drawn above. It would, however, be an unfortunate oversight if credit were not also given to other library employees who left their regular assignments to assist the Bookmobile employees in filling their schedules. Miss Sanborn and her staff deserve many thanks for their cooperation on board the Bookmobile.

GREAT BOOKS PROGRAM

Our Great Books Program completed its sixth year last spring and started its seventh this fall. The participating membership over the last seven years has increased to include nine groups: two first years, one teenage, and one for each of the succeeding years. Interest and enthusiasm continue to be retained.

FILM PROGRAM

This year, on Miss Spring's initiative, film service has been fully integrated as a regular and worthy library service. We are, of course, still hampered by the lack of a library auditorium. In spite of this, however, twenty regularly scheduled adult and children film showings were presented at the library. On occasion Miss Spring has had as many as 140 adults packed into the Reference Room and 102 children into the Children's Room to watch films that were both instructional and entertaining.

In addition eighty-two films were loaned to practically every club, association, organization and institution in the city. All told there were 204 film showings with an attendance of 13,223.

GIFTS AND EXHIBITS

During the year, 284 books were presented to the library. Limitations for space prevent me from listing the individual donors. However, their generosity was acknowledged when the gifts were made.

Residents of the City contributed many interesting exhibits throughout the year and under Miss Spring's direction monthly art exhibits by New Hampshire artists were arranged.

At this time we wish to thank the Nashua Trust Company and the Bronze Craft Corporation for their interest in and contribution of library materials.

THE NASHUA TELEGRAPH AND STATIONS W.O.T.W., W.S.M.N.

The Nashua Telegraph, Stations W.O.T.W., W.S.M.N. gave generously during the year in publicizing many library functions. Local banks and stores gave us space for library exhibits of general interest and this cooperation has been greatly appreciated.

CONCLUSION

Annual reports are at best sketchy outlines of activities. This is especially true this year because it has been the busiest we have experienced and space does not permit detailed descriptions. I believe, however, that the interested reader will be able to discern from it a true picture of our overall operation, our conception of library service, and the objectives at which our efforts are aimed.

I am pleased to conclude this report by assuring the Trustees that the condition of the City Library is vigorous and in a period of substantial growth. I cannot overemphasize my appreciation for the help and cooperation extended to me by the entire Board of Library Trustees. The Chairman, Mr. Frederick H. Dobens, and the individual members of the Board have given unstintedly of their time and advice. I desire especially to thank the library staff for its loyalty and exceptionally hard work which has made possible this year of progress.

Respectfully submitted,

JOSEPH G. SAKEY, Librarian

REPORT OF THE PARK-RECREATION COMMISSION

December 31, 1959, Nashua, New Hampshire

To His Honor, the Mayor, and the Board of Aldermen:
Gentlemen:

The Park and Recreation Commission respectfully submits its annual financial and activities report for the year 1959.

Respectfully submitted,
JOHN W. LATVIS, Chairman
I. SEYMOUR GOODMAN, Vice-Ch.
GEORGE G. GOULET, Clerk
MARJORIE deLONG, Commissioner
WILFRED GRANDMAISON
Commissioner

ANNUAL ACTIVITIES REPORT
PARK-RECREATION DEPARTMENT

December 31, 1959

BIDDY BASKETBALL (BOYS)

The boys Biddy Basketball League was co-sponsored by the Park-Recreation Commission and the Nashua Lodge No. 720 B.P.O. Elks for the year 1959. This league was designed to accommodate boys between the ages of nine and twelve years of age. The league consisted of twelve teams and these teams played two times a week, Friday nights and Saturday mornings. We had approximately 203 boys playing in this league all winter. With the co-operation of the Board of Education, we were permitted to use the auditoriums of schools at Fairgrounds, Ledge Street, Charlotte Ave., and Junior High School.

BIDDY BASKETBALL (GIRLS)

The Biddy Basketball League for girls between the ages of nine and thirteen was organized and six teams participated in this league during the 1959 season. We had 116 girls playing in this league and the games were scheduled Friday evenings and on Saturday mornings. The Board of Education allowed us the use of the school auditoriums for these games.

At the conclusion of the boys' league and after determining the season's champions and playoff champions, the annual banquet for the Boys' Biddy Basketball League was held at the Junior High School. The parents were asked to attend and as a result approximately 490 people attended the banquet at the end of the season. This banquet was made possible by the

Nashua Lodge No. 720 B.P.O. Elks as one of their youth activities. The dinner for the children was paid for by this Lodge. The parents attended and purchased tickets which represented the actual cost of the meal. It was a most successful affair and one of the largest which we have ever held at the Junior High School. At the conclusion of the Girls' Biddy Basketball season, a banquet was held at the Ladies of Charity Hall on Kinsley Street. Awards were made to Miss Biddy Basketball, High Scorer, and Most Co-operative Player. This banquet was made possible by the donations received from various social, civic, and industrial organizations of the city. They were not paid for from appropriated funds.

SKATING

The skating rinks during the winter season are our only outdoor recreational activities. We had several days of good skating and the rinks were operated at Marshall Street, Textile Field, Little League Park, and Atherton Avenue. At the direction of Park-Recreation Commission we erected a hockey rink at Textile Field. This rink was designed for use by the Nashua High School independent hockey team for practice and for games. When not in use by the high school hockey team this rink was open to skating to the youngsters and adults of the area. The skating of 1959 was fair to good.

PLAYGROUNDS

The city's fourteen playgrounds were operated again this year for a nine week period. The facilities of our playgrounds were used daily by an average of 1500 to 1650 children. The Marshall Street Playground had the largest attendance for the season with an average daily attendance of about 225 children.

All our regular playgrounds were supervised by a boy and girl attendant. There was one exception to this premise, and at Arlington Street where a new playground was opened for the first year a girl attendant only was on hand. They were open daily from 9:00 a. m. to 4:30 p. m., Monday through Friday, and Saturday morning from 9:00 a. m. till 11:30 a. m.

In conjunction with our playground program we had our handicraft classes. Children were taught to make many articles, such as stuffed animals, decorated boxes and plates, leather goods, jewelry, felt work, etc.

The playground schedule was arranged so that all age groups could participate and be supervised. The younger children played bean bag, ring toss, dodge ball, horseshoes, singing games, tag games, checkers, etc.

At the direction of the Commission, playground equipment was installed off Dublin Avenue in the North Hollis Road area. Because of the large amount of young children in the area, it was decided to install the equipment and have a playground in the area without an attendant. The parents of the children concerned volunteered to supervise this playground on a trial basis; and if the attendance warranted, an attendant would be assigned in future years at this locale.

At the close of the season, in conjunction with the Nashua Lodge No. 720 B.P.O. Elks, the annual Championship Day was held at Holman Stadium. We had over 500 boys and girls selected from the city's fourteen playgrounds participating in the events of the afternoon which consisted of races, ball throwing, horseshoes, basketball foul shooting, base running, checkers, ring toss, bean bag, and last but not least a blueberry pie eating contest.

On closing of our playgrounds we held the annual playground parties. We had between 2300 and 2400 children on the playgrounds that afternoon. Children were served ice cream, lolipops, gum, candy, and balloons. (After the sweets, the children played games and prizes were awarded the winners).

At Sullivan Park, Chairman John W. Latvis presented the playground trophy to Marie McGlaughlin and Frederick Kline, the playground attendants for having the largest attendance of the season. At the same time, the Youth Committee of the B.P.O.E. presented a check to Chairman Latvis to help in defraying the expenses of the parties. Our thanks to Mr. Norman Jeannotte who helped in making these parties possible by contributing half the cost of all the ice cream to the children.

WADING POOLS

We now have eight wading pools located throughout the city. The pools are located at Greeley Park, Belvedere, Atherton Avenue, South Common, Textile, Sullivan Park, Temple Street, and one adjacnt to the Centennial Pool on Sargent Avenue. These wading pools were very attractive to the youngsters, especially during the very hot season. These pools are kept in good condition and are cleaned and attended by the attendants at the adjacent playgrounds. They are the type with a sprinkler head and the water is allowed to run constantly. Only about ten inches of water is allowed to accumulate in the bottom of the pool so the children can wade leisurely.

BASEBALL

The Park-Recreation Ward League Baseball was continued this year and had a very successful season. This is the fourteenth season we sponsored this league to take care of boys from 16 to 18 years of age. The league is composed of the following Wards: Ward 1 2 & 3, Ward 5 & 6, Ward 4 & 7, and Ward 8 & 9. This was a four team league and took care of approximately eighty boys ranging in ages from 16 to 18 years.

This year for the fifth year we sponsored the Babe Ruth Baseball League for boys 12 to 15 years of age. This league was registered with the National Babe Ruth League Incorporated and played under national rules. We had six teams in this league with 126 boys registered. Each team played eighteen games during the season. In addition to the All Star Team selected from league play participated in the state Babe Ruth Tournament in Laconia, New Hampshire. These youngsters showed great enthusiasm and interest and again we furnished uniforms, hats, balls, and catchers' equipment to these boys.

SOFTBALL LEAGUE

The Girls' Softball League completed their ninth season. The league was made up of four teams, the Gold Sox, Blue Sox, Red Sox and the Green Sox. We had approximately 92 girls registered and playing softball this past season. The Park-Recreation Commission supplied the girls with uniforms, bats, balls, catchers' equipment, and umpires. They also supplied gloves to many of the girls.

SWIMMING POOLS

Field's Grove proved to be a very busy spot during the summer. Mr. Claude Raby was the supervisor at this pool and he was assisted by five lifeguards and a matron. Mrs. Esther Booth was the matron again this year having been associated with us for nine consecutive years. She had charge of the bath house and rendered first aid when it was necessary.

The Centennial Pool proved to be one of the very busy spots during the summer. We operated this pool from 9:00 a. m. to 12:00 noon, from 1:00 p. m. to 5:00 p. m., and from 6:00 p. m. till dark. Mr. Thaddeus Dulski was the supervisor of this pool. He was assisted by four lifeguards. The matron, Mrs. Helen Desmarais, at the pool rendered first aid and had charge of the checking facilities.

The swimming classes this year were under the supervision of Miss Constance Canfield at Centennial Pool and Miss Patricia Desrosiers at Field's Grove. The 1959 swimming program was a most successful one from the viewpoint of enrollment, attendance, and results accomplished. Approximately 962 children were enrolled at the program at both pools. This included children and adults. The children were divided into various age groups and beginners swimming lessons, intermediate, and advanced lessons were given by the instructors.

The annual aquatic field days were held at both pools with demonstrations of each of the steps in swimming and diving, demonstrations of swimming strokes by adult groups, and life-saving rescues and techniques by the life-saving classes. The Nashua Kiwanis Club helped in defraying the expenses of these days.

DANCES

This year we again sponsored a dance for the selection of Mr. and Miss Teenage of 1959 by a board of judges. Serving on the judges panel was Mayor Mario J. Vagge, Judge Kenneth F. McLaughlin, and Mrs. Barbara Monroe. Miss Barbara Ann Doherty, 16, of 17 Hobbs Avenue was chosen Miss Teenager of 1959 and William P. Smith, 13, of 14 Spaulding Street was chosen Mr. Teenager of 1959 by the board of judges. They were awarded suitably engraved cup trophies emblematic of their selection.

GREELEY PARK

More people than ever enjoyed the facilities of Greeley Park in 1959 than at any time in the past. Along with some out-of-towners, the park was heavily populated by local enthusiasts who congregated during the day, mothers with their children who came and had a picnic for the day. The children would use the wading pool, the playground facilities, and also the fireplace and picnic areas. It was quite noticeable that in addition to the local people many people from out of state enjoyed the facilities of this park. The Park-Recreation Commission after due deliberation decided not to limit the use of this park but rather to ask the people to voluntarily use and relinquish the use of all the facilities with due respect to Propriety and good neighborliness. One of the most popular areas in the entire park is the so-called picnic area where fireplaces with adjoining tables number approximately 24. The playground at the park for the children is equipped with the conventional playground equipment found at our playgrounds.

All the plants used by this department are grown at our greenhouses at Greeley Park. These greenhouses provide us with all the annual plants needed by this department for bedding out purposes. We plant all the beds at Greeley Park and at all the smaller locations such as Deschesne's Oval, the monument, Stark Square, Foster Square, and many others throughout the city. The beauty, serenity, and facilities of this park are not only enjoyed locally but also by tourists from outside the state.

COMMUNITY BUILDINGS

This year the Park-Recreation Commission relinquished the use of the old Lake Street School as a community building. This building was sold to St. Joseph Parish to be used for a parochial school. We continued to use and maintain the Palm Street School as a community building. This building was used by the Arts and Crafts Association, Boy Scouts, Boy Scout Leaders, Physically handicapped, Artists' Club, Barbershop Singing Quartet of America, and several other community groups who held meetings there from time to time during the year. The schedule was so arranged so that we did not have any conflicts in time at the building.

POP WARNER FOOTBALL

This year the Park-Recreation Commission authorized the formation of a Pop Warner Football League for boys. The object is to inspire youth to practice ideals of health, citizenship, and character as reflected in the life of Glen S. "Pop" Warner, Amos Alonzo Stagg, and other distinguished members of the American Football Coaches Association; to bring area youth closer together through the means of a common interest in sportsmanship, fair play, and fellowship; to impart to the game elements of safety, sanity, and intelligent supervision; to keep the welfare of the boy first, foremost, and entirely free of adult lust for glory. The top age in the Midget Class of football—no one could be over thirteen years of age as of September 1, 1959. No boy could weigh more than 115 pounds. The time of the playing quarters were four, eight minute periods. Each boy who played in this league was fully equipped with adequate football equipment which would provide suitable protection from head to toe. The type of footwear was sneakers. No boy was registered as a qualified player if he had not attained and does not sustain a sound physical condition. The attainment of a sound physical condition of every player was attested to by a certificate issued by a duly qualified examining physician. The sustainment of a sound physical condition was attested to by the constant vigil of the team coach.

The following teams were sponsored by the following agencies: The GIANTS sponsored by Pepsi-Cola Company of Manchester, N. H.; Mr. Robert Jolicoeur, President. The second team was the COLTS. They were sponsored by the Nashua Co-operative Bank, Main Street, Nashua. The third team, the RAMS, sponsored by the Nashua Beef Company; Degasis Insurance Agency; Dion Cleaners. These sponsors financed the entire cost of equipping and fielding each team and this amount represents a sizeable sum of money. The Park-Recreation Commission wish to express their gratitude for the magnificent co-operation of those sponsoring agencies. Without their financial assistance, co-operation, and support, this league would not have been possible.

The coaches of these teams, all volunteer people, were as follows: GIANTS, Mr. Henry "Hank" Beaulieu and Mr. Lucky Leconte; RAMS, Mr. Robert Barnes, Mr. Joseph Eason, and Mr. James Cross; COLTS, Mr. Robert Gingras, Mr. John Wardner, Mr. Warren Tomasian, and Mr. Kenneth Barnes.

The COLTS, sponsored by the Nashua Co-operative Bank won the New Hampshire State Championship for Pop Warner Football teams by defeating the Manchester Warriors at Holman Stadium by a score of 28 to 6. A game was scheduled with Wellesley, Massachusetts Pop Warner Team, the Massachusetts champion, and the game was meant to be for the New England Championship and to be held at Holman Stadium. Unfortunately this game was rained out and could not be played because of the lateness of the season and weather conditions at the time.

The Park-Recreation Commission wishes to publicly thank the league officials who are all certified state board men and who volunteered their services at each of the seven Sunday games. Mr. George Souzanne, Mr. Francis Tate, Mr. Emile Bozek, and Mr. Robert Gabriel. These officials officiated at each of our games voluntarily and the league, I am sure, would not have been a success without their every co-operation and enthusiasm.

The Park-Commission also wishes to thank the sponsors of the annual banquet for the Pop Warner Teams. This banquet was made possible by the generosity of Sprague Electric Company, Sanders Associates, and Doehla Greeting Card Company. This particular program and venture was without a doubt the most successful in my nine year tenure with this department.

The enthusiasm and co-operation of everyone was simply tremendous. Needless to say the enthusiasm has been manifest in that it is hoped that next fall more teams will be fielded of the same caliber and testimonial as this past Pop Warner Football League in Nashua. The principal speakers at this year's banquet were Mr. Sam Paul, University of New Hampshire quarterback, and Mr. Paul Bellavance, University of New Hampshire center. Both boys presented a fine dissertation and their talk was enthusiastically received by all the players present.

FILM

I wish to take this opportunity to advise everyone; individuals, groups, social and civic clubs, that the recreational activities and projects promoted by the Park-Recreation Commission are on 16 millimeter colored film. This film is available for showing to anyone interested during the year. We have had many favorable comments on the film as it precisely depicts the work done for the children by the Commission.

CONCLUSION

In addition to the above mentioned activities, this department has charge of the maintenance of all its equipment, both playground and motorized. The normal maintenance requirements as dictated were accomplished.

Permits were issued for the use of all of our facilities by interested agencies. Our baseball and softball diamonds were used during the season by the Babe Ruth League, Ward League, Girls' Softball League, Industrial League, and many independent teams. These permits are issued on a first come first serve basis and there were no conflicts during the season.

Little League Park was reserved exclusively for the Little League. A permit was issued to them to play their entire schedule at this location. We are charged with the maintenance of this park.

Holman Stadium was utilized by the Senior High School, Junior High School, Ward and Babe Ruth Leagues, American Legion, etc.

The success enjoyed by any program is dependent upon the cooperation of all parties and groups concerned. I want to express my thanks to the various managers, coaches, playground and swimming pool staffs, and all who contributed to making our recreational program one of the very best for a city of its size. I also want to express my thanks and sincere appreciation to the members of the Park-Recreation Commission for their fine co-operation and assistance.

Respectfully submitted,

RAYMOND F. LEE

REPORT OF THE BOARD FOR THE EXAMINATION OF PLUMBERS

To His Honor the Mayor & Board of Aldermen
City of Nashua, New Hampshire
Gentlemen:

The following is the Annual Report of the Plumbing Board for the year ending December 31, 1959.

The membership of the Board consisted of the following: Chairman Artemus Lovejoy, Master Plumber; Dennis F. Sweeney, Journeyman Plumber; Joel B. Hill, Secretary; Gerard Poliquin, Plumbing Inspector.

Two meetings were held during the year. Four examinations for Master's License were held and three passed. Five examinations for Journeyman's License were held and four passed.

There were thirty-six Master's Licenses and sixty-seven Journeyman's Licenses issued during the year.

A total of 680 inspections in 398 buildings were made during the year.

Eighty-seven plumbing law violations were investigated and corrected.

FINANCIAL STATEMENT OF THE PLUMBING BOARD FOR 1959

Appropriation	$ 45.00
Expenditures:	
K7 — Office & Plumbing Supplies	64.00
Overdraft	$ 19.00
Receipts credited to Revenue	$ 85.00

Respectfully submitted,

JOEL B. HILL, City Engineer

REPORT OF THE POLICE DEPARTMENT

April 19, 1960

Honorable Mayor and Members of the Board of Aldermen
City Hall
Nashua, New Hampshire

Gentlemen:

The Police Commission of the City of Nashua herewith submits its report for the year 1959.

The annual appropriation to meet the expenses of the Department during the year 1959 amounted to $321,750.00. We expended $314,681.31, leaving a balance of $7,068.69.

The Department turned over to the City Treasurer $14,129.22. A detailed breakdown of this amount is attached to this report and is marked Schedule "A".

For the second successive year, no salary increases were requested for uniformed personnel.

The arrests for the year 1959 show persons charged with a specific offense totaled 2159. There were 1802 persons picked up by the police and later released. A detailed breakdown is attached to this report identified as Schedule "B".

Traffic control occupies a vital position in the organization framework of a police department. Traffic accidents account for the greatest personal injury, deaths and property loss. Strict, no-fix enforcement is required to deter driver actions which commonly result in accidents.

Statistically, the number of motor vehicle accidents in New Hampshire increased 435 over 1958; personal injuries increased 208; traffic deaths increased by 22. In contrast, the number of motor vehicle accidents in Nashua increased by 1; personal injuries decreased by 23; and traffic deaths decreased by 3. The picture is far from bright; however, 1959 statistics, locally, reflect a static figure — plus 1 — in traffic accidents; a decrease in personal injuries and highway deaths. Evaluating the tremendous volume of traffic in Nashua, the reversal in personal injuries and highway fatalities is heartening.

GAGNON CASE

At 12:50 a. m. on February 9, Rookie Officers Donald Bazin and William Quigley stopped a Rhode Island registered Chevrolet on Main Street; Robert Almonte, age 29, of Providence, R. I., was the operator. Russell J. Nelson, also of Providence, was a passenger. Minutes before, the officers had seen Nelson walking south on Main Street between East Pearl and the Yankee Flyer Diner. Almonte was unable to produce a registration certificate, causing his and Nelson's detention for additional questioning.

Shortly before 4:00 a. m. on the same date, Officer Benoit Lavoie, on special security auto patrol, saw a man (Martineau) enter Spring Street from the municipal parking lot. Upon seeing the officer, the man ran and fled behind the Junior High School where he was apprehended by Lavoie and held for questioning.

Shortly after 8:00 a. m., a 14-year-old boy found $850.00 in currency at the south side of the Junior High School. Taking the money home during the noon recess, he showed the money to his parents who in turn notified police headquarters.

Two inquisitive Temple Street school boys, while on their way home for the noon recess, were attracted by a shiny new white Cadillac sedan that was parked in the Temple-Church Streets parking lot. In their examination of the vehicle they happened to glance into the car and found the blood-drenched body that was later identified as that of Maurice A. Gagnon, a 41-year-old Rhode Island manufacturer. They immediately notified one of Nashua's school crossing guards of their find and she in turn notified police headquarters.

The above events initiated an intense investigation that reached its climax on November 14, 1959, with the sentencing of Russell J. Nelson and Frederick J. Martineau.

Lieutenant-Inspector Charles E. Theroux was "loaned" to the State Department and in turn to Lebanon. His duties will be to instruct their police force in modern investigative techniques and to assist them in modernizing their law enforcement agencies. Lieutenant Theroux was granted a leave of absence for one year with the understanding that an extension may be granted if necessary.

This Board has appointed two young women to the Department for the purpose of enforcing the parking meter laws. It was felt that this phase of law enforcement could be ably handled by women and relieve able-bodied officers for regular police duties. It is still in the experimental stage but the results obtained have been satisfactory.

Respectfully submitted,

NASHUA POLICE COMMISSION
WALTER F. EVANS, Chairman

JOEL B. HILL,
Administrative Officer

To His Honor the Mayor and Board of Aldermen
City of Nashua, New Hampshire
Gentlemen:

The following is the Annual Report of the Zoning Board of Adjustment for the year ending December 31, 1959.

The membership of the Board consisted of the following: Atty. James L. Ryan, Chairman; Steven Vandalosk, Vice-Chairman; John Lafazanis, Clerk; Members Maurice L. Lemay and Leo Maynard. Chairman Ryan resigned and was succeeded by Atty. Robert Welts.

Public hearings and meetings as required were held at frequent intervals during the year for the convenience of non-conforming petitioners, for the purpose of making decisions upon their requests and also for the conduct of the affairs of the Board.

Number of Regular Meetings held	12
Number of Special Meetings held	9
